TWO RUNAWAY ACCIDENTS.

Occupants of the Vehicles Luckily Escaped Serious Injury.
 What might easily have proved a very serious accident occurred on Kent-st. west Saturday afternoon. Mr. J. English, of Cambray, was driving a spirited team up street when from some unaccountable cause the animals became frightened and got beyond the control of the driver. On turning the corner the rig was upset and the occupants thrown out. Mrs. J. Mauder, also of Cambray, was in the vehicle and struck the ground with such force that for a time her condition was considered most serious, but apart from the nervous shock to her system she sustained no injury. She was able to return to her home yesterday.

Lindsay Milkman, Take Warning.
 A milkman in Berlin, Germany, was recently convicted of watering his milk. After a fine of \$20 had been imposed by the magistrate it was ordered that the man's name with the details of the case, should be printed on a placard two feet square and posted on the city advertisement board near his shop.

How Much Does Your Horse Cost?
 The cost for keeping a horse for a year on a farm is, says Shaw's Farmer, much more than many persons realize. An estimate of the

cost of a pair of white and blue pants with large buttons, long tulle trim, and blue piping. The price is \$1.50.
