THIS WAY WITH A RUSH.

Our Citizens Turned Out in Large Numbers Last Friday.

In the third league game of the season the speedy Lindsayites casily succeeded in defeating the Oshawa buir's June 17th in a home game by 4.0. The game from start to finish lacked the snap which a crowd of 400 spectators would have preferred. The Lind ays played excellent ball, but 100 Oshawas were very poor scmetimes, their errors being numprous; the result was that the locals did not put up the fastast bail, but took things in a quiet and easy way. Parker, the Ochawa twirler, is a southpaw, and pitched first-class ball. His pitching should have been better supported by the fielders. His quick delivery fooled the boys once or twice, but they soon go after him and succeeded in getting on the ball, but not very effectively. Crowley played very good ball behind the but.
