DOWNEYVILLE.

(From Our Own Correspondent.) The people of St. Luke's parish have reason to congratulate themserves on the picnic held last week. Both socially and financially it was without doubt the greatest success of any effort made by them in recent years. No pains were spared in the preparations and with favorable weather good . results were expected and there weren o disappointments. Nature did her part by funrishing beautiful weather and everything contributed to make the event a howling success.
