No Action Taken in Connection With Riverside Cometary Walk. The members of Ops Council met

or June 27th, at 10 a.m. The min--The days are getting a little utes of last meeting were read and Communications.

A letter received by Senator Mc-Hugh from the Secretary of the Board of Railway Commissioners at -The feminine gender should be Ottawa, stating that the memorial of applied to all ships and vessels afloat | Ops Council and the petition of the ratepayers praying that the public road at Pottery Corner would not be diverted, as proposed by the L. B. & P. Railway Company, had been favorably considered by the Board and the reilway plan altered according-

A letter from A. P. Devlin, County Crown Attorney, at the instance of His Hon. Judge Dean, with an extract few plug hats and just one or two from the presentment of the Grand Jury at the recent Court of General Sessions, referring to the necessity of systematic efforts being made by July B. Days for building the granolithic sidewalks the municipalities of the county to keep the public roads open in winter

by tuilding more wire fences,. A letter from Thos. J. Maher, requesting Council to nave Queen and Ernest-sts. in the sub-division of the west part of lot 21, con. 7, opened to the full width of 66 feet, as set forth in the plan of said sub-division; that seven land owners there are trespassers-himself included and that they should be compelled to move their fences off said streets

A letter from Mr. McNeillie, County Clerk, stating that a committee of the County Council had been appointed to meet the members of Ops Council at the Court House at 11 alm. on Wednesday, June 29th, to consider the condition under which the County Council would assume the completion and maintenance of the

Town Clerk, with a resolution of Council that Ops be asked to contribute to the maintenance of the Riverside cemetery sidewalk.

Roads and Ditches. Mesers. Kennedy, McGohey and White, of Emily township, addressed the Council, urging that a grant be given to make the north half mile of the boundary passable at all times, and save the ratepayers of both townships in that vicinity the trouble of driving around five miles because of said half mile of muck road. Emily Council would go hall or more if Ors woould assist.

The Reeve said that the road in question was scarcely ever used by Ops, but if Commissioner Best could assist he might do so. Mr. Best replied he had apportion-ed his money, but thought that if

by the County of Simcoo has been dis- those directly interested in that road would put some stone on in the carry winter. Ops might assist them next Mr. Geo. Murphy complained that

Mr. Coulter had not made an effort to oper the water course east of his Mr. Coulter replied, "I took Thos. O'Neill to see the place and told him

Railway Crossings. Mr. B. White called the attention of Council to the railway crossing east of John Jackson's, where fall underbush overhangs the wagon road on both sides and entirely shuts the town of Lindsay are representaoff the view of approaching trains. tives at Ottawa. Two of these have Commissioner Best said he would see Messrs Jackson and Anguew and of the town papers, and it looks as

Mr. Best said several are complainporth and south of the town. The Company have not had time to grade the approaches to them yet and some

of them are dangerous. Mr. Bawkins then moved, seconded by Mr. Best, that the L. B. & P. Railway Company be notified and rerequested to grade and complete their railway crossings as soon as possible, as they are dangerous to public travel in their present condi-

tion .- Carried. Riverside Cemetery Walk. In response to the resolution of duty to punish by dismissal. Lindsay Council, in reference to Riverside cemetery walk, the Reeve same it is that The Post keeps tooting the he understood that Ops Council had Senator, seeing that he occupies a permitted the building of said walk position above the will of the people. only on conditions that Ops would Can it be that The Post and the Libnot be liable for cost of building or | eral party of Victoria and Haliburmaintenance, or for any accident | ton hope that he may resign his seat that might occur because of defects in the Senate, and contest the riding in said walk. No further action was in the interests of the Reform party taken in the matter.

Growth of Noxious Weeds. Mr. John Calvert said his business to the Council was that they might take some action to rid the country of rexious weeds, especially what is kuown as the sow thistle, which is becoming a great nuisance and threatens to take possession of several farms. The act for preventing the spread of noxious weeds was referred to. The Council explained that | The Post. We do not "toot" in praise it was the duty of pathmasters to of Serator McBugh as often as his prevent the growth of such weeds on the roads, and that land owners should endeavor to remove them from their farms. The Council might deem it advisable to appoint one or more inspectors for the purpose, but it was too late to appoint any for

orders in payment of the following; man-Warder,-Ed. Post. John Gunn, gravelling on beat 4, \$11.00; John McSweyn on account, \$50.00; W. F. O'Poyle, postage account, \$2.00.

By-laws were then passed to confirm the appropriations of 1904 and to berrow money to pay current expenses, after which the Council adjourned till August 8th, at the usual W. F. O'BOYLL, Clerk.

Newspapers and Magazines

- The complete tale in the July Lippincott's Magazine is by Lafayette McLaws, a young Southern authoress who has made a good deal of repute with former novels, and who is a protegee of Mrs. Jefferson Davis. The story in Lippincott's is well called "The Love Affair of a Prin-

## TROUSERS

Are Trousers of distinction. There's a shapeliness-a grace and tone to them that marks them as being well tailored. Pay twice as much to a merchant tailor and you'll get no finer fabrics, and certainly no Trousers that will fit better and wear better. Better can't be made. Progress and 20th Century Trousers come in hundreds of the handsomest patterns,

stripes, fancy mixtures and solid colors.

## A letter from Mr. F. Knowlson, WEEKLY POST LETTER BOX

SENATOR MCHUGH'S GOOD SERVICE. (To the Editor of The Post.)

Eir,- Your issue of 'ast week had an editorial article headed. "A Watch-'u' Guardian." In it was the following: "Senator McHugh's bit of good service was in connection with the Lindsay, Bobraygeon & Pontypool Railway right of way south of town," etc., and lower down in the article, "Way did not Doctor Vrooman, our member make this important discovery in advance of the Senator ?" So it seems, Mr. Editor, that the "b't of good service" was the result of a discovery, and, therefore, it might ugestion of The Post as to why "our nember" did not make this "important discovery" in advance of the Sonator, to say it was because the Senator made the discover; in advance of "our member." Permit me to say that when I talked this very matter over with Sepator McHugh, here in Ottawa, it did not for a moment occur to my simple mind that the above "bit of good service" would come within the scope of the tooting

It cannot be other than repugnant to a healthy minded man to have trilling services, that come within the scope of his everyday duties, dished cut in fulsome mudation before the public gaze. Four residents of a monopoly of the puffery columns per departments of the R. M. Beal get them to have the obstructions though the law of natural compenfor one is of the Senate, and one ing of the railway crossings both of the Commons. I am within the mark when I say that nearly every issue of the Watchmar-Warder has its pages blurred all over with savoury paragraphs of Coi. Hughes. compliment the editor of that paper on his keen sense of discrimination in ministering to the taste of its readers. When th epeople send repre sentatives in Octawa, duties are entailed, and when these are performed, why boast? Nay more, if there be neglect in the performance it is the people's prerogative and

I have had occasion to wonder why at the approaching general election, for the House of Commons ?- I am,
