Easy to Shake.

More than half the drudgery of 'tending a furnace is in the shaking down. Enough to break a man's back, and certainly no work for a woman, is the job of shaking down some furnaces.

With a Sunshine Furnace you stand up and oscillate a gently working lever that a child could handle. It's so easy you won't believe it, if you've been used to the common back-breakers.

And the Sunshine is a hygienic, coal-saving, practical housewarmer in every way that a good furnace ought to be.

Some 40 Citizens Gathered in the Fine Dining Room of Pym's Hotel.

Tuesday last, June 21st, was an sportant date for all members of Westminster Lodge, Sons of England, which has on its roster the names of] nearly all our leading citizens who can claim Merry England as their ewn or their parents' birthplace. The Union Jack was displayed from the ledge reem all day, and attracted public attention to the coming event -the visit of Grand President John Aldridge, of Toronto, to Westminster Lodge, Lindsay, one of the most

progressive in the order. Previous to the banquet a busines neeting of the lodge was held, and was largely attended. President Aldridge, who had received a very cordial welcome, delivered an exceedingly interesting address on the history, and growth of the order, in the course of which he reviewed the various phases of the good work being carried on under its auspices, and pointed out that in the twentyeight years of its existence the order had paid out almost a million of The enthusiasm of the speaker stirred his hearers, and the result will no doubt be the institution of an active campaign to increase the already large membership.

At the close of the business meeting the members adjourned to the house, which had been prettily de- | And the Supreme President called corated for the occasion under the superintendence of Mr. Chas. Pym, who is one of the most popular members of Lindsay Lodge. The tables were neatly arranged and the shcen of spowy linen veid with the glitter of glassware and silver. Covers were laid for 40. The bill-offare was calculated to tempt anyone to essay the part of vailant trencherman, and a majority of those present secred high in the trial.

true British style. The toast, "The Supreme Grand Lodge and Grand Officers," was responded to by the guest of the evdent, who made a very effective Harvey 2nd base Workman speech, in the course of which he bore testimony to the zeal and singleness of purpose actuating all the Grand C. Cadmanc. field Hooper Lodge officers and expressed regret that the duties of Mr. J. W. Carter, Grand Secretary, of Torontomade it impossible for him to be pre-

"The Army and Navy" found a 'valiant and eloquent champion in Serg.-Major Martin, our Crimean veteran, whose long association of almost fifty years permitted him to recall many instances where undying glory had been earned both on land and sea in successful attempts to uphold and perpetuate Britain's

Boyall, who was in his happiest vein and made a bright and witty speech dealing with matters connected with the order. He referred at some length to the good work being accomplished by the Grand Lodge officers everywhere, and said that that while the presence of Supreme Presider Aldridge delighted every member, the genial countenance of the Grand Secretary at the feast would have filled to overflowing the cup of happiness quaffed by all.

LINDSAYS NOT COOD ENOUGH FOR CONSIDERABLE BUSINESS TRAN-THE CENTRAL Y. M. C. A. MEN.

sponsible-Score 6-10.

The fast Central Y.M.C.A. boys, of Toronto, who never lost a game tast year, succeeded in a hard and stiff the Lindsays as a result of some very large and juicy errors and poor hitting by the Lindsay men. The game all through was a good one, but in one first and second innings the Toronto boys had a bunch of lucky hits which gave them a lead of six runs. The wind was high and the grass in the outfield over a foot long in many places, the result being that the hit; were not gathered in very fast.

The Y. M. C. A. boys are star players, and their hitting and fast basejupping were features. Phelan, their pitcher, is the same artist who won the game for 'Varsity here, and he was in good form. "Curly" Mack was touched up pretty good ed by the new tailway, at the rate in the 1st, 2nd, and 9th innings. Taylor, at short, is an all-round ball player, and his catch over second hase and also a stop of a hot liner, were very pretty and won for him the hearty applause of the spectators. He is also a pitcher, and picched for Peterboro in their last league game. W. Cadman received behind the bat and his throwing was good. Hooper, for Lindsay, retired two of the Centrals by catching two nice f.ies in centre field.

Cippamon played a good hard game but at times lacks all control of his tongue and fists. If our boys want to retain the support of our citizens they will have to sit down hard on all engentlemanly conduct on the 'ield. Players can be replaced, no matter how clever, but a bad name sticks. The nasty encounier, which took place yesterday, fo lowing that with Varsity, will certainly go far in alienating the citizens' support, and will injure the reputation of the team. If a player can't keep cool and abide by the umpire's decision, fair or unfair, he should get out of

Workman held second base down in his usual effective way. In the first innings, Taylor, Sharpe, Harvey and Owens scored, and in the second Walsh and Phelan. Lindsay scored one in the third, Moynes bringing Hooper in on a mcrifice hit. Lindsay again scored in the eighth, McGill, Workman, Miller, Hoca per and Moynes crossing the plate. In the ninth, C. Cadman, Taylor, Sharpe, and Owens scored. The teams tied in the 8th innings, but :a the nintn Tororto seemed to get the bases all full. A low, casy, mfield fly was popped to Miller, who in a very graceful way, failed to squeeze it, and a runner scored. Miller then fumbled another grounder and Tororto's score advanced another notch, and when they got through the innings the Y. M. boys had 4
