—On and after Sept. 1st, the Str. Estarion will leave Lindsay, town wharf, at 5:45 p.m., instead of 6:30 p.m., as at present. See advt.—d2w1.

—Mr. J. C. Ray, Glencol, owner of the gasoline launch Annetta, is having a commodious boat-house on the river bank east of Perrin & Irwin's premises.

—Mr. P. B. Mollarghey, local stock buyer, is doing a rushing business in the stock line these days. He shipped to-day two carloads of hogs to Peterboro, and one of cattle to Toronto, paying for hogs \$6.20 and \$3.00 for cattle. He will make another large shipment early next week.

What is Happening in Town and the Country About Us.

—A full range of Boys' school odd pants, Gough's.—d2w1.

—Monkey Brand Soap makes copper like gold, tin like silver, crockery like marble, and windows like crystal.

—Boys' School Clothing to please the boys, at Gough's.—d2w1.

—Mr. H. J. Clarry has disposed of his gasoline yacht, the Annetta, to Mr. Ray, of the south ward. We understand the price paid was about \$300.

—Look over our lines of Boys' School Clothing, at Gough's.—d2w1.

—Mr. Chris Craney, of Kilmount, timber valuator and buyer for the Rathbun Co., has purchased the Mc Millan home on Russell, for \$11,000, and will take up residence in town shortly.

—Mr. J. Johnston, of Ops, is well pleased with his pea growing venture this year. He planted an acre of hoe peas for Messrs. Hogg & Lytle, of Oakwood, and threshed 46 1/2 bushels (which netted him \$2 a bushel).

—Our Boys' School Clothing department is the pride of our store, Gough's.—d2w1.

—Mr. Chas. Graham, who underwent a critical operation at the Ross Hospital on Monday, is improving as rapidly as can be expected. His friends hope to see him restored to his usual good health in the course of a few weeks.

—The Lindsay golfers who visited Peterboro Saturday suffered defeat by 23 holes up. Messrs. Betts, Armour, Milner and Barr succeeded in beating their opponents. Our players speak highly of the entertainment they received.

—Just come in and see what we are doing at this Great School Clothing Sale, Gough's.—d2w1.

—Mr. Wm. Needler's new launch is a beauty, and is probably the finest craft yet turned out by Bo-t-builder Perrin. The launch is now being fitted with electric power in the form of storage batteries, which will develop, it is calculated, about 2 1/2-horse power.

—For nice, new, up-to-date furniture, have a look over F. A. Forbert's private household Furniture Sale.—d2w1.

—Our business men are preparing for a large trade this fall by laying in large stocks of the best goods and planning to increase their sales. Their preparations seem fully warranted—crops are good, prices high and work plentiful at high wages.

—Mrs. Harvey, of Toronto, lady visitor in connection with the Provincial Child Saving department, is making her annual visit to the children placed in foster homes in this district. She received valuable assistance from Mrs. E. E. Shryve, of the local Children's Aid Society.

—Our Boys' and Children's School Clothing is admired and desired by every mother, when they buy them at Gough's.—d2w1.

—There are now nine camps of men scattered along the line of the L. B. & P. Railway between this town and Bobcaygeon. Starting near that village they are located as follows: Humphrey's Birch Point, R. Robertson's, Morgan John's, Sheriff's, J. Kennedy's, Jackson's and Agnew's, about four miles northeast of the town.

—On account of having insufficient yard room to accommodate the grain trains while en route between Midland and Belleville, the G.T.R. have decided to construct two sidings about one quarter mile in length on the south side of the trunk east of the iron bridge. We understand work will commence at once.

—Don't forget that F. A. Forbert is having a private Furniture sale, till Sept. 12th.—d2w1.

—The burning of a stack of pea straw on the farm of Mr. Wm. Newman, west of the town, caused a little excitement about 10 o'clock Saturday evening. The illumination was in the direction of the farm, and for a time many were under the impression they had caught fire. The brigade made a hurried run as far as the hospital, but their services were not required.

—In a recent sermon Rev. D. W. Best, of Beaverton, referred to the prevailing tramp nuisance, and suggested that a means by which the common people might materially aid in ridding the country of the pest, would be to refuse to give them food. There was plenty of work for every honest man, even though he has met with misfortune. To distribute dishonestly was only abetting crime.

—A new Oxford Parlor Coat Store, for sale cheap. F. A. Forbert, over R. Neill's.—d2w1.

—Miller Bros., dealers in will papers, oils, glass, etc., have removed from premises near the better advantage. The members of the firm are enteringprising young men and deserve a liberal share of patronage.

—At St. Louis, Mo., the other day the hospital authorities turned the hose loose on an aged tramp whose last bath had been taken in the same institution twenty years previous. The shock caused by the hot water caused him to close together, and we feel it our duty to reassure Sturgeon Point residents, whose proximity to the lake tempts them to indulge at least once a season. Sturgeon lake waters is not as deadly as that of the Mississippi.

—Come and have a look at our private Furniture Sale till Sept. 22. F. A. Forbert.—d2w1.

—The Ottawa Journal has discovered why women get off a street car facing the wrong way. It is because they know their right hand is stronger than their left, so she decides to use her right hand as her guide and stay.

—She takes hold of the knobby-tube with her right hand, and this wise her round to the right, looking towards the rear of the car. Thus she stops off facing forward, and sometimes her logic and her back hair receive a most ungentle jar. We knew it could not be contrived.

DROWNING AT KINMOUNT

YOUNG LAD FELL OUT OF STABLE WINDOW INTO DEEP WATER.

Second time Father has been Bereaved in Three Years.

A sad drowning accident happened at Kinmount last Thursday at 6 o'clock, the four-year-old son of Mr. Chas. Cole, harnessmaker, being the victim. The little fellow got into the loft of the Dettman house stable unnoticed and fell out of the door into the Burnt River. The body was recovered in about ten feet of water shortly after, but life was extinct. This is the second child Mr. Cole has lost by drowning within the last three years.

Mr. Cole is a brother of Mr. Malcolm Cole, grocer, town.

WHERE'S THAT BOY?

Naturally you will want to get his fall suit here, where you can select from the largest variety of Boys' Clothes in town, and where prices are as they always are, the lowest. If you don't believe in buying good clothes for boys, try it this fall and put the risk on us. If at the end of the season you think we owe you any money, if you think you haven't got your full money's worth to wear, come back and let us pay you what we owe you. This is a fair proposition from a house that has never been known to go back on its word. B. J. GOUGE, d2w1.
