AND NOT WANTED.

Ald. O'Reilly Wants to Bridge River at Colborne-st.-Business Disposed of.

Mayor Vrooman and Aldermen -Mr. John Wilson is doing a big Fisher, Eyres, O'Rielly, McFadden and Begg met in special session last Monday, the main business being to consider the report of the Commismioner on Colborne-st. sewer.

Messrs, Robt, Bryans, Geo, A. Milne and Mr. Sisson of St. Paul's church, were present, Mr. Bryans, spokesman, asking the Council to continue the walk through from the post office to Russell-st. It would! a great convenience to all and he hoped the request would be granted. A three foot plank walk would be sufficient and teams would still be able to drive through as the passage was 27 ft. wide at one end and 18 at the other end. A crossing would also be required.

A question arose as to who would take the responsibility in case of aceident, as the Church of England owned the right of way.

It was moved by Ald. O'Rielly, and carried, that Mr. Bryans be given 85 12-foot -planks and the number of aleepers required and that the Commissioner be instructed to lay the

COLBORNE-ST. SEWER.

Commissioner O'Neill's report re the building of a sanitary sewer on Colborne-st., was next read. It recommended the building of the same on the initiative plan.

Before the matter was discussed the Clark read a petition, signed by -Bracebridge has installed a new Mr. W. Flavelle, Mr. T. C. Matchett. 500 horse power wheel in their elec- Mr. Cathro and others, protesting tric power plant, making a total of against the building of the proposed

Mayor Vrooman said the protest spoke for itself.

Mr. Sisson didn't think that the Board of Works contemplate that petition was altogether right. WATER COMMISSIONERS MAY SPEND \$700 IN BUYING ONE.

Board Met Monday and Transacted Some Business.

A meeting of the Water Commissioners was held on Monday afternoon at 4.30 o'clock in Secretary Ray's of-Ald. Fisher read the items on the fice. Members present - Chairman J. D. Flavelle, Mayor Vrooman and Mr. J. R. McNeillie. Supt. Hammond and Secretary Ray were in attend-

just as soon as the press is started sewer, and the Clerk was instructed by Horn Bros. for boiler purposes and it is printed, in its complete to inform Dr. Pogue that he also during several years back, communipations from Mr. Jas. Horn and the the firm's engineer set forth that the edit a newspaper after it is printed. | ment on the offices of Drs. Neelands was expressed by the members at the turn affairs had taken and the marked variation in the story told. The claim put forward by the Com-

Secretary Ray read some corresly needed there to serve both sections and 2 inch meters for the several

Supt. Hammond said that in conversation the Superintendent of Toronto Waterworks, had strongly recommended the Crown meter, but purchase will not be made at present

It was pointed out that \$20 did

Mr. F. A. McDiarmid, of Fenelon be taken up at the next meeing of Falls, enclosed a cheque for \$11 odd the Manufacturers' Committee. being one-half the arrears for water service in his north ward dwelling. left unpaid by Mr. Leggett. Mr. Mc-Diarmid pointed out that he was not liable for the balance, as the Commissioners should have levied on the possessions of this tenant at the time. This view was regarded as reasonable and the secretary was instructed to make a demand upon Mr.

The members next discussed the wisdom of purchasing one of Smith's patent pipe-cutting machines at a cost of about \$700, duty paid. Supt. Hammand, who had seen one of the know he has celebrated the event so machines at work, explained that by THOM. SON .- On the 4th, in Bobits use a connection might be made or a break repaired at any time witchut shuting off hte water from any section of the town-always a

end to the tremendous risk at present endured when repairs or con-

nections are being made. Clerk Ray-"I think the agent, John W. Strackbein, of Chicago, will visit our town in the near future and conduct a test."

The matter was left undecided, and in the meantime the Secretary will secure reports from towns and cities who are using machines.

A number of applications for services were considered, and on motion same were granted.

Pumping statistics for July were an follows; No. garlons pumped, 15,-917,500, same month, '05, 15,943,750; coal consumed, 84,900 lbs., same a newspaper article three or four the Town Property and Finance | In connection with the Commis - month, '05, 77,720 lbs.; per 100 lbs. -Lax-ets-A Candy Bowel Laxa- times, and repeatedly pass over the committees' reports. On the latter sioners' endeavor to arrive at an es- 500. Secretary Ray stated that the timate of the quantity of water used filtering basins had recently been pleaned out and were now in good working order. It was the Board's intention to repeat the cleaning proceas every three months. He also reported that the cost of puting in

new services had been almost cut in two as compared with old figures. Accounts aggregating a considerable sum were then passed, after which the Board adjourned.

Will Crain Route Touch Peterboro? Peterboro Examiner; Ald. McWilpondence relative to the cost of 11-2 liams brought up the question of the route of the C.P.R. short line in Pechurch services, the price ranging terboro's vicinity at the Committee The Colborne-st, sewer was again from \$56 to \$90. Two churches pay of the Whole meeting Friday night. \$20, one \$25 and another \$15, the They have now completed surveys in the matter at once. It was finally power required to operate the organ Smith and he pointed out that if the the city did not gett after the Company they might not locate their line here. He had been conferring with Mr. Leonard, a prominent C.P.R. official, regarding the matter, but he is not yet in a position to state where not seem sufficient for St. Paul's the route would be. Mr. Leonard church service owing to the quanti- told him that at present there was ty used on the lawn and at organ no use in conferring with the city practise. The secretary was in- as the Company had ordered more structed to write the church ward- surveys to be made and not till then ens expressing the Boards desire to will the Company be in a position to encourage lawn making, and in - meet the Council. Ald. Bail remarkforming them that a charge of only ed the Company would go where they \$5 yearly would be imposed to go in- wished, irrespective of any objections.
