ed Tuesday for law-abiding citizens

opened about three weeks ago. A

few of our leading sportsmen club-

bed together a few days ago and en-

gaged men to watch Emily Creek,

Blythe, and a few other spots where

ducks are in the habit of gathering

to fied, and as the pot hunters were

thus frightened away, there is a

possibility of some good sport being

enjoyed at those points. There is a

fly in the ointment, however,-the

langgy weather, if it continues, will

mak a successful morning shoot al-

-The adjourned inquest into the

death of Rcbt. McAuliffe, G.T.R. en-

gineer, which occurred on July 5th

from scalds received near Stirling,

was resumed at Peterboro Monday

night. It transpired that the engine

No. 168, was built in 1871, and had

been in constant use ever since, It

received a new fire box in 1891.

Herbert Porter, McAuliffe's fireman,

testified that the guage showed

plenty of water in the boiler short-

ly before the accident, and that both

injectors were working. Mr. Whit-

sel, G.T.R. Mechanical Superinten-

dent, was asked if Engineers Haines

and Patton had not refused to take

out the engine, but his reply was

that if so he had received no report.

The enquiry was further adjourned

until Sept. 21st, at 7 p.m., in order

that the jury might examine the rc-

pair record and mileage books per-

-On Monday last the bakers at | Gueiph, before returning. McWatters' bakery put in a very busy day. In addition to baking a Firs Dept., returned to the c'ty Satgood supply of fancy bread they | nrday after spending his holidays in turned out over 855 large loaves and town. Mrs. Saunders and young 60 dozen bans. The amount of flour used was over 2,700 pounds. The bread was turned out by Mr. J Morrison, assisted by Mr. Ed. Gregg and

-The annual fall fair of the Galway Agricultural Society will be held in Kinmount this year on Sept. 29th and 30th, and promises to be the best that society has yet held. The quarter-mile track has been enlarged to half a mile, and we understand the prizes for horse races will ama ount to about \$500. A special train will run from Lindsay to Kinmount

-The Ontario Government is building at present a large swing bridge over the Magnetawan River, at a point of about fifteen miles below, Burke's Falls, in the Parry Sound district. The work is being done under the supervision of Mr. Wm. O'Neil', town. Mr. T. Walters, Public Works' Superintendent, left for that point the other day to see how the work is progressing.

-A writer in the Bomanville News urges that the time is ripe for that town to connect with the C. P. R. and says that an electric spur line to Burketon and Lake Scugog would do the trick. The writer thoughtfully adds that the new German system of elevated road, with cars suspended beneath the rails, would be best in order to avoid trouble

from snow blockades. -In commenting on the cost of cement sidewalks in Orillia and Barrie, the too Star says: "Orillia is spending 25,000 on cement walks this year; Barrie is doing much the same, and the walks are being nut down at from 8 1-2 to 11 cents a foot. In the Sco it costs 15 cents. Yet labor is as dear in Orillia, The News-Letter says laborers are scarce for not cailing at ention to Lindsay's at \$1.75 a day. There seems to be a screw 'cose somewhere when the Soo has to pay 50 per cent, more than other places." ... It may console the Star's readers to know that they are not paying much more than walks are costing in Lindsay. We're a wealthy town and can afford to treat our contractors with a gener-

The ol 'est established Watchmaking Business in the County of Victoria.

Blaze in the East Ward. About 10.50 p. m. Menday fire broke

out in an old log stable owned by Mr. J. McGinnis, situated in the French village, east ward. The alarm was sent in from the box at the east end of King-st and the brigade responded quickly, but were nuable to put the fire out owing to the nearest hydrant being too far away. Fortunately the burning building was isolated and there was no danger of other property catching The McGinnis property is rented to a man named Trumble, who had a couple of pigs and some hens in the stable, but these were gotten out before the fire had gained much of a start. Mr. McGinnis' loss will

be about \$50. Catarrh Cannot be Cared with LOCAL APPLICATIONS, as they cannot reach nternal remedies. Hall's Catarrh Cure is taken inernally, and acts electly on the blood and mucous surface s.
