

ORDERED TO BEIRUT

President Roosevelt Issues Commands to Admiral Cotton.

U. S. EUROPEAN SQUADRON.

Will Support Minister Leishman in Demanding Punishment for the Guilty Parties in Killing United States Vice-Consul Magelssen While Riding in a Carriage on Sunday—Express Blows Up.

Oyster Bay, N.Y., Aug. 28.—President Roosevelt last night issued orders that the American European Squadron, under command of Rear-Admiral Cotton, should proceed at once to Beirut, Syria, in order to be in readiness to support any demand the United States may make on account of the assassination of Vice-Consul Magelssen.

Washington, Aug. 28.—The State Department has received a cablegram from United States Minister Leishman at Constantinople announcing that William C. Magelssen, United States Vice-Consul at Beirut, Syria, was assassinated Sunday while riding in a carriage. The American Minister immediately brought the crime to the attention of the Government and demanded action by Turkey.

Acting Secretary Loomis yesterday cabled Minister Leishman instructing him to demand the immediate arrest and punishment of the persons guilty of the murder. No demand for money in behalf of the man's family has yet been made, but that probably will follow.

Magelssen was a native of and was appointed from Minnesota.

U. S. Warships Near.

Admiral Cotton, commanding the United States European Squadron, has been cabled by the Navy Department to have his vessels in readiness to move to Beirut, which is on the eastern shore of the Mediterranean Sea, in case of the demands of the United States Government upon the Turkish Government are not complied with. The Brooklyn and the San Francisco are at Villefranche and the Machia is at Genoa.

Magelssen, who was a Scandinavian, was appointed Vice-Consul at Beirut September 20, 1899, by Consul Gabriel Bismarck, who is of the same nationality. At the time of his appointment as Vice-Consul he was a consular clerk in Turkey. He was born at Bratsburg, Fillmore County, Minn.

The American Government will insist that the local authorities be punished if they were derelict in their duty, and that full measure of punishment be given the actual perpetrators of the outrage.

Porte Discredits Report.

Acting Secretary Loomis received a remarkable cablegram from Minister Leishman last night, in which the latter stated that he had called at the Turkish office at Constantinople this evening, and the Minister of Foreign Affairs emphatically denied knowledge of the assassination. He also attempted to discredit it.

Express Blows Up.

Sofia, Bulgaria, Aug. 28.—The eastbound daily express from Budapest to Constantinople was blown up near Kuleli Burgas, about 25 miles south of Adrianople, early yesterday morning. Seven persons were killed, and 15 were injured. Dynamite bombs were used. Every car was smashed. Apparently the outrage was the work of revolutionists who traveled on the train.

Charged With Outrages.

Constantinople, Aug. 28.—Forty Turkish officers have been ordered to return to Constantinople to answer for the outrages committed at Kru-shovo.

Ferdinand Doomed.

Vienna, Aug. 28.—It is reported from Sofia that the police have discovered a tunnel leading under the Kanak of Prince Ferdinand. It is thirty yards long, and it is believed was constructed with the intention of blowing up the palace.

Salmon Industry Threatened.

Vancouver, B. C., Aug. 28.—At a meeting of the Fraser River Cannery Association a resolution was ordered to be sent to Hon. R. Prefontaine, Minister of Fisheries, asking for prohibition of all fishing on the Fraser River from Aug. 29 to Sept. 16 inclusive, in order that the balance of the sockeyes remaining outside may be enabled to reach the spawning grounds. Telegrams have been sent to British Columbia members requesting their support of the resolution.

King Peter's Troubles.

London, Aug. 28.—The Daily Mail correspondent at Belgrade says King Peter is determined to suppress the military malcontents with an iron hand. On Tuesday three army colonels, two captains and a newspaper editor were condemned to death for participating in a plot which was discovered and rendered abortive. Despite this, however, says the correspondent, the King is obviously in the hands of the recent regicides, who are causing a veritable reign of terror.

Eggs Loan Company.

St. Thomas, Aug. 28.—The London & Western Trusts Company liquidators of the Elgin Loan Company, announce that the first dividend of 25 cents on the dollar will be paid to depositors of the company on Monday next. The liquidators also announce that a further dividend of 25 cents will be available in about thirty days.

Saves Another Life.

Windsor, Aug. 29.—Leslie Spracklin Thursday saved Edward Ruggles from drowning at Amherstburg. Spracklin holds a record for life-saving.

ONTARIO'S CRACK SHOTS.

Class of the O.R.A. Meeting—Friday's Scores Spoiled by Staff Wind—President's Luncheon.

Toronto, Aug. 29.—The Ontario Rifle Association's rifle shooting contests at the Long Branch ranges were concluded yesterday with the most unfavorable and disagreeable weather that has ever been encountered in the history of the meet.

The wind blew steadily from the east and southeast all day and the atmospheric conditions were most decidedly unfavorable to good shooting. The best marksmen on the ranges were unable to locate targets safely, and in many cases ridiculously low scores were the result.

The tie for second place and the bronze medal in the Duke of Cornwall and York competition between Staff-Sergeant C. A. Crowe of Guelph and Private John Drysdale of Montreal was shot off and was won by the latter.

Semi-Annual Meeting.

The semi-annual meeting of the association was held at 3 o'clock, with very large attendance. Officers were appointed to reconstitute the association on the council of the Dominion Rifle Association.

A resolution expressing the deep sorrow of the association at the death of Major J. J. Mason of Hamilton, and the warmest sympathy with Mrs. Mason, was passed after eulogistic speeches had been made. A number of suggestions were made in regard to the conditions governing different matches, and the Match Committee will consider them prior to the annual meeting.

After the meeting a select company adjourned to the very fine luncheon on the invitation of Mr. Osler.

Tait-Brassey Match.

The chief event of the day was the Tait-Brassey match, in which there were 125 individual prizes, amounting to \$535, seven team prizes worth \$225 and two cups, one presented by Sir Peter Tait, valued at \$250, and one by the late Sir Thomas Brassey, valued at \$125.

Scores.

J. C. Smith, Highlanders, 93, \$20; Sergt. G. Mortimer, Grenadiers, 93, \$15; Pte. F. N. Allan, 7th, 93, \$10; Col-Sergt. Parkhill, 18th, 93, \$10. Other winners took from \$8 to \$3 each with scores ranging from 98 to 73.

The Austen Match.

The first of the extra series to be decided was the Austen match, named after J. E. Austen, the military tailor, who donated clothing to the value of \$50 to be selected by the winner as first prize, and the association added \$124, divided in 25 prizes. J. H. Simpson, Grenadiers, with a score of 50 won the coveted first prize of \$50, and others ranged from \$15 to \$3 with scores from 50 to 48.

The Old Cham Match.

The Old Cham Match was shot at 800 yards and there was no fewer than 14 possible made and 12 24's were counted out. The first prize was 20 pounds of tobacco, after which the match was named. There were but 25 prizes, but the close marking necessitated the division of the money into 31 amounts. Staff-Sergt. T. S. Bayles, Grenadiers, won the first prize with a score of 25.

The Mulock Aggregate Match—1.

The Mulock Aggregate Match—1, the Elkington Cup (value \$125), N. R. A. silver medal, badge and \$15. Staff-Sergt. C. R. Crowe, 30th Wellington Rifles, Guelph, 2. Governor-General's silver medal, badge and \$10. Pte. J. C. Smith, 48th Highlanders, Toronto; 3. Governor-General's bronze medal, badge and \$8. Pte. S. J. Perry, 6th D.C.O.R.

Colts' Revolver Match—First Prize.

Colts' Revolver Match—First Prize. Cook, Royal Grenadiers, Toronto. El Padre Match—First prize, 500 Needle cigars. Staff-Sergt. Thomas Mitchell, 18th, Hamilton.

For a Temperance Party.

Toronto, Aug. 27.—Two hundred people attended the first meeting of the Temperance Voters' League here last night. P. S. Spence and G. P. Marter addressed the meeting, and afterwards between 75 and 100 signed the pledge to vote and work on next election, and a league was formed for the Parkdale district of the city.

Only Common Assault.

Whitby, Aug. 29.—John Lennox, the Ottawa painter employed by McLaughlin Manufacturing Company, who has been lying in jail here for the past two weeks on a charge of rape on a 14-year-old girl of the same town, received his trial here at the County Judge's Criminal Court. The prisoner is a married man, with two children, who, with his wife, were in the court room. After the evidence on the prosecution was heard the charge was changed to one of common assault. To this the prisoner pleaded guilty, and was fined \$100 and costs or one year in jail with hard labor.

Charles M. Hays Retires.

Montreal, Aug. 29.—General Manager Charles M. Hays returned yesterday from England, but would not discuss Grand Trunk Pacific matters. "When the whole question is removed from the arena of politics, when it is all disposed of by those who have the right to dispose of it, why then, I will be glad to go into particulars, but at this moment, when the matter is still being debated in Parliament, I feel that I should not say a word on the subject."

Cyclone Moved Houses.

Connellsville, Pa., Aug. 29.—A cyclone passed over this section yesterday. People were lifted off their feet and houses were moved off their foundations. The storm lasted just five minutes, Mrs. Lizette Levowitz was struck by lightning and instantly killed.

Mr. Caldwell is Better.

Kingston, Aug. 27.—The friends of W. C. Caldwell, M.P.P., of Lanark, are glad to hear that a marked improvement is evidenced in his condition. He is suffering from a heart affection, and this led to the swelling of his limbs. The heart action is being restored.

TALK BY WHOLESALE

Sixty-Three G.T.R. Speakers Have Unburdened Themselves.

NINE SPEECHES ON THURSDAY

Mr. Wade's Convincing Argument—Hon. Wm. Ross Supports the Measure—Mr. McLaughlin Made a Brief But Effective Presentation—Mr. Henderson's (Halton) Opinion of Northern Ontario.

Ottawa, Aug. 28.—Nine speeches, the largest number yet delivered in one day upon the transcontinental railway resolution, was the sum total of yesterday's debate. Mr. F. B. Wade, who had the floor when the House adjourned Wednesday night, ably presented the advantages of the Government's proposition in comparison with that offered by the leader of the Opposition. Mr. Wade, who is one of the ablest debaters upon the Government side of the House, and who has established a reputation in the House as an authority upon questions of law, dealt with the project not only from the Nova Scotia standpoint, but demonstrated the advantages which would accrue to the Dominion as a whole. He also cleared away some of the cobwebs woven by Opposition speakers around the legal aspects of the contract. Mr. Jacques Bureau, Mr. Alex. F. MacLaren and Mr. George Stephens set a laudable example to the House. Their speeches were brief in duration and the points they made were concisely and effectively presented for the consideration of the members. Hon. Wm. Ross, who mentioned the fact that he was the sixty-third speaker in the debate, and who seldom addresses the House, but is always listened to with attention when he does speak, in an effective speech affirmed his pride in supporting the men who had presented a scheme so palpably to the advantage of the country for the consideration of the House. The other speakers were Mr. W. R. Brock; Mr. A. Malouin, Mr. F. A. Lancaster and Mr. David Henderson, who asserted that it was as shame to induce young men to settle in the northern portion of Ontario or Quebec, where they would be shut up in prison. Mr. Ingram adjourned the debate.

Sir Wilfrid Laurier took occasion,

in reply to Mr. Brock, to announce the personnel of the Transportation Commission as follows:—Mr. John Bertram, Toronto (Chairman); Mr. Robert Reford of Montreal, and Mr. Fry of Quebec.

Monument to a Son of Bruce.

Port Elgin, Aug. 29.—The monument erected here in memory of Gordon Cummings, who was killed in South Africa on Dec. 13, 1900, was unveiled last evening by Colonel Lord Aylmer, adjutant-general, John Tolmie, M.P., and A. T. Thompson, M.P. Also took part in the proceedings. The unveiling was followed by a patriotic concert.

Investigate a Stranding.

Quebec, Aug. 29.—An investigation into the stranding of the S.S. Manchester Trader at South Point, Anticosti, a few weeks ago, was opened in the Admiralty Court yesterday afternoon. Capt. Salmon is presiding and is assisted by Capt. Temple and Capt. Rouse of the S.S. Moeris, as naval assessors, and Mr. Gordon as secretary.

Nearly Broke Away.

Port Arthur, Aug. 29.—General jail delivery at Port Arthur was frustrated yesterday by officers. A prisoner called Hume, sentenced to five years in Penitentiary, had almost drilled his way from his cell to the outer wall, when he was detected. All the prisoners knew of what was under way, but held their peace.

Two Were Killed.

Toledo, Aug. 31.—A freight wreck occurred in the yards of the Nickel Plate Railway at Bellevue, Ohio, yesterday in which Engineers James F. Rodenburg, of Bellevue, Ohio, and G. Bartholomew, of Conneaut, Ohio, were killed.

Georgetown, Ky., Aug. 29.—Before a great audience, Caleb Powers spoke for two hours Thursday night in his own defence, declaring his innocence of connection with the Goebel murder, and pleading for his acquittal.

Powers charged the officers of the commonwealth with political persecution.

He said that a \$100,000 reward offered by the State had been used to secure his conviction.

Fatal Ship Collision.

Stonington, Conn., Aug. 28.—The three-masted schooner John Booth from Long Cove, Maine, for New York, was run into and sunk during Wednesday night by the Metropolitan Line steamer H. M. Whitney, of Boston just west of New Haven harbor, and five members of the crew and one passenger were lost. Captain Thomas of the Booth was rescued by the Whitney, while one of the crew, Carl A. Hessel, colored, was picked up by the steamer Maine of the Stonington line.

Death Rate Increased.

Toronto, Aug. 28.—The monthly bulletin of the Ontario Board of Health, just issued, shows that the rate of deaths from all causes was 11.5 per 1,000, as compared with July of 1907, when the rate was 11.3 per 1,000. Smallpox cases show a substantial improvement, and diphtheria a slight increase.

Given the Red Hat.

Rome, Aug. 28.—At the Vatican yesterday afternoon the red hat of a cardinal was conferred on Cardinal Herrera Y. Espinosa, Archbishop of Valencia. Cardinal Herrera was at the point of death during the conclave, but has now recovered, though still weak.

Persian Shah Threatened.

Berlin, Aug. 28.—The Christian Orient, a German missionary paper, published in Berlin, prints correspondence from Teheran, alleging that the leaders of the Persian Mohammedan Church have served notice on the Shah that, unless he purges the country of foreign religions and commercial influences, especially British and Russian, the church will precipitate a revolution.

BARBARISM'S LIMIT.

Seems to Have Been Reached in Turkey's Repressive Measures.

BIG MASS MEETING IN SOFIA.

Macedonians Protest and Urge the Powers to Restrain the Turks From Further Despoiling Their Country—Awful Horrors of Outrages Upon Women and Children Blacklisted—Create a Sensation.

London, Aug. 27.—According to a Sofia telegram to The Times, the Turkish repressive measures in Macedonia have reached the utmost limits of barbarism, and it is evident that it is the intention to accomplish by degrees the total extermination of the Bulgarian population. Within the last few days, says The Times, twelve more Christian villages have been handed over to the anarchy, and the women, children and the aged have been massacred. Convoys of prisoners despatched to Monastir have been murdered by their escorts. A private letter from Monastir says even the local Turks are disgusted and meditate assassination of the Consuls in order to provoke European intervention.

Mass Meeting at Sofia.

Sofia, Aug. 27.—An immense mass meeting of Macedonians took place here yesterday afternoon. They were most enthusiastic. It resolved that a memorial should be presented to the representatives of the great powers at Sofia urging their Governments to take action.

The recent visit of the Russian squadron to Turkish waters was described as "a monument of sunshine, which quickly passed." The speakers passionately appealed for immediate intervention. Resolutions were also adopted thanking the publicists who have defended the cause of the Macedonians, regretting the hesitation on the part of Europe to take steps to ameliorate the lot of the Christians in Turkey, demanding the appointment of a powerful Christian Governor, who would ensure security for the country, and inviting all Bulgarians to aid in securing the triumph of the work already commenced.

The Macedonian Committee has issued a black-bordered list of seventy villages, which have been pillaged and destroyed in the vilayet of Monastir, to which are added instances of revolting outrages on women. The publication has created a sensation. No news has been received in official circles yesterday from the interior of Macedonia. In a fight which has just occurred in the Kischevo district the insurgents slaughtered a detachment of eighty soldiers.

Constantinople, Aug. 27.—The Government has decided to call to the colors all the remaining European reserves belonging to the second and third army corps and a number of other reserves, which will bring the total of the Turkish soldiers in Macedonia up to 350 battalions, or almost double the force utilized in this Turco-Greek war.

Three Hundred Massacred.

Sofia, Bulgaria, Aug. 27.—Rumors are current here of serious massacres at Vasilike and Kir-Kiritli. Three hundred persons are said to have been killed. Details and confirmation are lacking.

Fire Engines Dislodged the Fathers.

Paris, Aug. 28.—The expulsion of the Redemptorist Fathers from their monastery at Les Sables d'Olonne, Department of Vendee, was carried out yesterday after an exciting experience.

The barricaded building was surrounded at 3 o'clock in the morning by soldiers, police and firemen.

The bells summoned a crowd of people to its defence. Missiles were thrown out of the windows, and several of the besiegers were injured.

After four hour's siege the barricade was forced and the fathers retreated to the roof, where they continued their defence, until dislodged by streams of water from a number of fire engines. Many arrests were made.

Mr. Thor. Fee, Lindsay, Ont.

Dear Sir,—I noticed you are advertising for sale your remedy for the cure of kidney disease. I have used this remedy and found it gave me relief. I was a great sufferer from kidney trouble for years and after consulting local doctors and a Toronto specialist I decided to try your remedy and carry without the least hesitation I found it to be of more value than all the others combined. In fact I was getting worse rather than better with some of the medicines that had been given me. It is about ten years since I used your medicine but have been free from kidney trouble ever since.

Yours truly,
A. L. MINTHORN,
Belliff,
Eaton, Maine.

Mr. T. Fee, Lindsay, Ont., Dear Sir,—In the summer of 1902 I was badly afflicted with kidney trouble, and for a time suffered so much that I had to quit work. I used medicines prescribed by several doctors but they failed to cure. When in Canada you, hearing of my complaint, gave me a box of your kidney cure. Before I had used half the box I felt relieved of my sufferings, and before Iaving it all I bought two more boxes. I am now in my usual good health and have never been off work on account of this trouble since. If I could not get any more of this medicine no man's money would buy what I have on hand. I have let my friends try it and they have cured them as well. I can heartily recommend Fee's Kidney Cure to any one suffering from kidney trouble.

Yours truly,
SAMUEL NEAL.

FEE'S KIDNEY CURE

Why go round with your back bent, suffering from kidney trouble, when I have a remedy that will cure you in a short time? Local doctors and patent medicines have failed to cure those suffering from this disease, but my medicine is a sure cure every time. If you are a sufferer from kidney trouble, do not let it run too long or you will get Bright's disease and finally diabetes, which will cause death. If you wish to avoid premature death write Thos. Fee, Box 353, Lindsay, Ontario, and he will send a box of Fee's Kidney Cure on receipt of 50 cents, or two boxes for \$1.00. All orders will be promptly filled.

One box of my medicine generally cures but sometimes relief won't come till the second is used. For years I was a great sufferer of this terrible disease. I had inflammation of the kidneys, bladder and scaldings of the urine, which caused great agony. I finally died, which was caused by a medical man for years but they failed to relieve me. I then tried Pierre's Medicine, but it proved to be of no use. After all had failed I started compounding drugs for myself, and finally made a remedy that cured me in two days. I am perfectly well now enjoying the best of health. Fee's medicine has been in the market for ten years and has never been known to fail to cure kidney disease, if taken in time.
