Port Arthur, Sept. 3 .- One of worst storms of the season raged on Lake Superior yesterday. All navigation has been affected. Thursday after the steamers Alberta and Wexford cleared from Fort William, asthey got out into Lake Superior, they encountered a heavy sea. The wind was blowing a hurricane. Both boats began pitching so badly that they had to return. They came into this port for shelter. This is the first time that a C.P.R. steamer has been compelled to turn back for many seasons. Capt. Payette stated that the boat could not live in such a storm. A large number of passengers got off the steamer and continued the journey by train.
