CORRESPONDENTS' LETTERS

GLENARL (Special to The Post.)
Many from here are going to Lindsay to hear Scotland's famous Band, the Black Watch, and the Royal Pipes on Tuesday next.—w

BOBAYGEON (Special to The Post.)
Our carriers will be seen in Lindsay, on Tuesday afternoon next, when the Black Watch Band plays under the auspices of the Lindsay Curling Club. Single Fair tickets, good for two days on Tuesday next.

FRANKLIN (From Our Own Correspondent.)
Farmers have finished fall seeding and are patiently awaiting the thrashers. A number from this locality attended the Exhibition last week and report a good time. Miss Lily Falls left on Monday last to attend the Lindsay Collegiate Institute.

FRANKLIN (From Our Own Correspondent.)
Miss Lily Falls is spending a couple of weeks at Falls line. Ebenezer and Char. Veale is recovering from a severe attack of muscular rheumatism. Miss McGill, of Janestville, is the guest of Mrs. Stewart at Lindsay.

FRANKLIN (From Our Own Correspondent.)
A number of our young people attended the amusements on Monday evening. Rev. Mr. Meade, of Rebozo, spent a few days with Franklin friends last week.

LORNEVILLE (From Our Own Correspondent.)
A number of farmers are taking advantage of the good prices paid for grain since the opening of the season. Many farmers from a distance are teaming their grain to this point, which goes to prove that our genial buyer, Mr. W. Butler, is doing the right thing by the farmers. Who give him their patronage.

LORNEVILLE (From Our Own Correspondent.)
Our sidewalks, especially the one along the front street, is in a dilapidated condition. This state of affairs may not be attended with any serious results while the moonlight nights continue, but in a few weeks when the dark nights come again, we question the safety of our sidewalks to those who must walk on them. Why not have this matter attended to before any accidents occur?

LORNEVILLE (From Our Own Correspondent.)
Single fare tickets to Lindsay on the railway means a big crowd for the Black Watch Band Concert, next Tuesday afternoon.—w

LORNEVILLE (From Our Own Correspondent.)
The weather has turned out very good. Farmers are busy marketing their peas for Peterboro dealers. The large peas from the Lindsay Farm show up well and will attract as usual.

LORNEVILLE (From Our Own Correspondent.)
Our high and public schools are in full blast and largely attended by outsiders. The Methodists will have an old folks concert, with old-time music on Friday night, which promises to be a great success.

This is indeed a creditable showing, as he had to compete with many of the best makers in the county. Congratulations.
Contractor F. Deane and his men have been busy the past week putting in a cement walk in front of Messrs. Pascoe Bros. store. This adds greatly to the appearance of the property. May the work continue, so that in a few years we will have cement walks altogether, instead of ungainly boards that we have at present.

Messrs. Hogg & Lytle are receiving large deliveries of fancy peas, these days. They report the yield, on the whole, to be hardly as large as last year. Mr. James Webster, of the 8th concession of Marlborough, secured over 80 bushels of American Wonder pea grown on two acres. This at \$2.00 per bushel makes it a paying crop.

The Rev. Mr. Brown exchanged pleads with Rev. Mr. Clarke, of Little Britain, last Sunday. Miss Charlotte Falls, daughter of Mr. Joseph Falls, is at the time of writing in a very critical condition. Her friends are anxiously awaiting some news of a change for the better.

Mrs. Rev. A. F. Webster has returned, after a three weeks' visit with her mother, in Toronto. Mr. William Perrin, of St. Mary's, is visiting his brother, Mr. Chas. Perrin.

Mr. Jas. Pascoe is removing to Mrs. J. P. Cunnings' house on Eldon-st., south. Already a number of our citizens have secured their seats for the Black Watch Band Concert, Tuesday afternoon next, and a large number from here will take in the concert.—w

LITTLE BRITAIN. (From Our Own Correspondent.)
We are sorry to have to chronicle the death of one of our young men in the person of Levi Sparks, Jr., and may say the mourning friends have the deepest sympathy of our citizens.

Another funeral came into our town on Tuesday, Sept. 20th, bringing the remains of Mrs. Vardon, of Lindsay, and bringing them in our British cemetery. We might say, she is the oldest person buried in the cemetery, being one hundred years one month and one day old. Her British friends and acquaintances of the deceased attended the funeral.

Mrs. V. Roush, one of our respected citizens, has been stricken with rheumatic fever, but it is very mild. We wish for her speedy recovery. Mrs. W. J. Yeo, who has been ill for some time, is progressing quite rapidly and is hoped she will soon recover her past good health.

Mrs. A. M. Sheldahl received a telegram from Miss, Michigan on Tuesday, Sept. 20th, stating that her husband is very ill, and requesting her to come. She promptly responded to the same, by departing Tuesday evening and is hoped she will find her son recovering.

Mrs. Wm. Tait, of Oakwood, was the guest of Mrs. Wall on Tuesday last. One of our young people attended the hot lull supper at Pleasant Point on Wednesday evening, the 21st inst. They report a fine time, the program being very interesting. We congratulate the Pleasant Point ladies on their excellent cooking and fine display of hospitality.

Our sporting community have revived again and secured four fine sets of quills from the Harold A. Wilson Co. of Toronto, and are taking a high interest in learning the profession of throwing them.

Mrs. J. J. Glass, who had her eyes seriously hurt lately, is improving slowly but surely. Mr. Edgar Jones wheeled out to Utica to spend the week.

On account of the absence of our senior minister, Rev. Mr. Clark, our services were held Sunday evening by the Rev. Mr. Brown, senior minister at Oakwood. He delivered a good sermon and everyone seemed to enjoy it very much.

Our undertaker and furniture dealer, Mr. J. Smith, has disposed of his valuable farm property, which included about two and a half miles west of our village. Mr. Kirk Johnson, formerly of Crosswell, is the buyer. We heartily welcome Mr. Johnson as one of our neighbors. Farmers had hope to see him patronize our village.

Mr. and Mrs. J. F. Maundor, of Lindsay, our former citizens, were in town on Tuesday. Mr. Maundor is now in the building of the crop gathered from his farm.

Rev. D. Allen, B.A., of Grand Meadow, Minn., delivered the sermon at church Sunday morning. The church was well filled, showing how our people were to hear how glad they were to see him. Mr. Allen found out that British boys have the talent when they try to develop it.

We are sorry to hear of the illness of Miss Alice Morton, but hope the symptoms of fever which were located last week may be expelled before it is too late.

Mr. S. McNeill, one of our neighbors, who is engaged in the business of raising sheep, attended the fair at Woodville, exhibiting his poultry and sheep. We were glad to see him secure a number of prizes. It is hoped he will have still better success when he returns from the fair.

A GENERAL ATTACK

Port Arthur Bombarded by Land and Sea by the Japs.

JAPS MEETING WITH SUCCESS
Captured Two Forts on Either Side of Salsburgh, North of Port Arthur—Interest at St. Petersburg Concentrated on Port Arthur—Nine Japs in Divisions Are Marching on Mukden.

The foe, Sept. 21.—Authoritative information has been received here of a general attack upon Port Arthur by the Japanese forces which began before daybreak yesterday and continued until dark. All indications point to an effort to capture certain of the northeast main forts.

Two Forts Captured.
Shanghai, Sept. 21.—The general attack on Port Arthur in which the Japanese fleet is co-operating, began yesterday morning. The Japanese captured two forts on either side of Salsburgh, north of Port Arthur.

Attack Near Waterworks Repelled.
St. Petersburg, Sept. 21.—Lieut. Gen. Stoessel, commanding the Russian military forces at Port Arthur, reports by telegram that on the night of Sept. 16 the garrison repelled two attacks on the redoubt protecting the waterworks.

St. Petersburg Interested.
St. Petersburg, Sept. 21.—Interest is again concentrated upon Port Arthur, owing to news that the Japanese are strengthening the fortifications there has begun. A few belated telegrams from Gen. Stoessel, the commander at Port Arthur, strengthen confidence in the ability of the defenders to hold out, despite the furious onslaughts of the Japanese.

The last attack mentioned by Gen. Stoessel took place the night of Sept. 14 and was directed against the water supply of the city. The redoubt is about two miles beyond the line of permanent forts and the attack upon this shows that the Japanese are within striking distance of the main fortifications.

The sensational announcement that Gen. Kuroki has crossed the Hun River unopposed, and that the whole Japanese army is advancing upon Mukden does not receive credence here.

Battle Imminent.
Mukden, Sept. 21.—A battle is imminent. The Japanese are advancing with eight, and possibly nine, divisions. The crops of tall millet have nearly all been harvested, affording a better field over which to form on the flat plains.

The Hun River is the direct front of the Russian army.

GRAND TRUNK PACIFIC.
First Annual Meeting Held—Pacific Terminus Not Yet Selected.

Montreal, Sept. 21.—The annual meeting of the shareholders of the Grand Trunk Pacific was held at the general offices of the Grand Trunk Railway at noon yesterday. The former directorate was elected, and the meeting then adjourned.

Mr. Hays on his return from the tour of inspection of the West, said yesterday that the western terminus for the Grand Trunk Pacific had been decided on, but Port Simpson and other places of possible choice along the coast to Vancouver had been visited.

Experts, he said, were now collecting data as to the approaches, both by land and water to several ports, which would later on be submitted to the directors, following which an announcement of the choice of a terminus would be made.

John Morley Coming.
Toronto, Sept. 21.—Hon. Richard Harcourt received an interesting letter from Rt. Hon. John Morley yesterday.

He had written him in regard to his approaching visit to Pittsburg and expressed the hope that he would not lose the opportunity of visiting Canada.

In reply Mr. Morley said that he hoped to be in Toronto for a day or two in October prior to his visit to Pittsburg.

Mr. Harcourt said that arrangements would be made to give him a proper reception, and the university would tender him an honorary degree.

Union of Municipalities.
London, Sept. 21.—The fourth annual meeting of the Union of Canadian Municipalities was opened here yesterday. An address of welcome was read by Mayor Beck and was replied to by the president, ex-Mayor Cook, of Ottawa.

In the evening, foregoing the regular program, the delegates attended the performance of "Love's Lottery."

A feature of today's session will be an address on municipal ownership of telephones by Mr. Andrews of Stratford.

John Fisher's Death.
Ottawa, Sept. 21.—Miss Harman, principal of the Harmon School for Ladies, committed suicide Monday night by jumping off the Alexander bridge. She had evidently mentally deranged, as a note in her pocket designed as a note in her pocket with her theories about keeping boards. Take my body to Rogers' morgue, Rideau street, and from there to Montreal to Kate." She jumped off the bridge into the Ottawa River about 10 o'clock, and her body was recovered yesterday morning.
