Frost Kills Tobacco, Bean and Corn Crops About Chatham.

Chatham, Sept. 26 .- "The frosts of last week have killed nearly all of the tobacco, bean and corn crops on the lake shores," was the startling statement made by T. Broadwood. "All of my crops are gone," continued he. "Jas. Woods, a neighbor of mine on the lake shore, has five acres of tobacco all spoiled and badly scorched; S. Conlan has five acres of tobacco gone; a large field of tobacco on the Everitt place is ruined, and Mr. Banning has all of his tobacco and late beans completely gone.
