

### RELIABLE DRUGS

What are they? They are drugs that are bought right and then kept right. We buy drugs from sources that we know to be reliable.

When necessary we test drugs after they reach us.

Drugs are kept under proper condition in the store; they go out as fresh and reliable as they came in.

We try to sell you these best drugs at the lowest prices, but in any case the prices are always lowest to be had for the quality we furnish.

## Things Whirling!

Just as the Japs Chase the Russians, the People Flock to

# B. J. GOUGH'S,

### THE WONDERFUL CHEAP MAN.

Didn't we have a time last week during the Fair! Didn't we have bumper houses! Well, we have no precedents for it in Gough's history. We are used to crowds, but things "went whirling past" all the big crowds of previous years. The people from all over the country

**TOOK US BY STORM**

and while they surprised us, we held them and sold them. Usually they didn't have to "try, try again," it's so easy to get fitted from Gough's Mammoth Stock.

**OVERCOATS**

NOW! That's the talk for this week. "Twill do your heart good to see our immense showing of Top Coats for this season."

The Long Box, The Short Topper, The Medium Length, The Half Belt, The Chesterfield and Others

are all here in full force, ready to slip into. We start the prices at \$37.00 and go up the scale to \$200.00. But at every price your money is as safe as if you'd put it in the Bank.

## Fall Hats Are In, Sir!

The worry is on you if you go to some Hat Shop and buy a cheaper Hat than we can sell you. Style and quality in every Hat we sell. This week prices range like this—\$1.00, \$1.50, \$1.75, \$2.00, \$2.25.

Men's and Boys' Fancy Tweed Caps, New Fall Underwear, Shirts, Gloves, Hosiery and Neckwear.
