THUDSDAY, FRIDAY AND SATUR- KINMOUNT VILLAGE HELD MANY VISITORS ON FAIR DAYS.

> The Show a Cratifying Success-Race the Great Attraction.

The home life of the farmer of Galway township always receives a pleasing and yearly looked for holiday on the occasion of the annual township fall fair. (This year the Galway fall fair was graced with Old Sol's most patronizing amile and the days of Monday and Tuesday, Sept. 10th and 11th were voted by all to be two of the best days to be had for the holding of such an event. The people of Galway township thoroughly appreciate their fall fair event and on the two days, but more especially The Grounds and Buildings open for Tuesday, they gladdened the hearts of the directors by turning out 1.00 p.m .- The Exhibition Grounds droves and flocking to the Kinmount things, his chief concern was for othgrand fifth annual. Early on Tuesday the people began to arrive in the northern village and by twelve at noon the burg was thronged with gaily dressed young and old ladies, with their gentlemen escorts

The throng was substantially increased upon the arrival of the T.R. special from Lindsay, which had then Albert, under the firm name of ing her brother at Trewell, Ont. a large crowd on board, many gett-ing on at Cameron, Fenelon Falls, and Burnt River, and there was nothing that gave the directors more pleasure than to see them wend their

way up to the agricultural grounds. That there were hundreds of farmers and others present who appreciated the doings at the fair was shown by the crowds surrounding the corporated as Hogg & Lytle Limit-judging ring, the race track, the exhibit hall and the merry-go-round and by the good terms that seemed to exist between all present. In the exhibit halk a good variety of farm produce was displayed but a falling off in many lines was quite noticeable. Upstairs among the exhibits one which caught the eye of the ladies, was Horn Bros' display of blankets, etc.

SPEEDING IN THE RING. It was advertised that a special feature of the fair for 1906 would be the speeding in the ring and a number of fast horses were entered to try conclusions. On the first day they proved to be all that was desired, being close and exciting. Especially was this so in the green race, when six entries were made and all were evidently out to win. Monday's events resulted as follows:

OBITUARY.

Mariposa Loses a Prominent and Popular

The many friends of Mr. W. T. Hogg were shocked to hear of his death at the Toronto General Hospital on Tuesday morning, Sept. 4th. After an operation on Saturday for hernia strangulation he rallied and gave promise of a speedy recovery, but on Monday morning kidney disease developed and steadily he grew worse until Tuesday morning, when death relieved his suffering. In Mr. Hogg, Mariposa had a citizen of whom we may well be proud, and since his loss of health some six years ago many anxious inquiries were continually being heard from all classes, showing the high esteem Through all his years of suffering no word of complaint was ever heard, and in this, as well as all other freturned home on Saturday. ers, and self was always a secondary

Joining his bro-Hogg Bros., his attention was specially given to the seed and grain business. In this his energy and ability were at once shown, and from the start the business progressed rapid-ly, and his fair, honest dealing soon gave his firm a reputation which was second to none. Later he became associated with Mr. H. J. Lytle, of Lindsay, the new firm becoming ingave way and he was compelled to give up the active management of the business, but at all times his counsel was highly valued and his sound judgment and foresight were greatly appreciated by his business associates. As a relaxation he entered the cattle business, forming a partnership with Mr. J. H. Carnegie, M.P.P., and it was at his summer home at Indian Point that he was stricken with his final illness.
