SPINAL CORD SPLICED.

Remarkable Operation on Engineer Glover at Medicine Hat.

Medicine Hat, Sept. 8 .- Dr. C. F. Smith, assisted by Drs. Smyth and Woodlands, performed a most delicate operation here Thursday, when about an inch of a dog's spinal cord was used to take the place of a portion of the spinal cord of Engineer Glover, who was injured in the recent wreck here. As the spinal cord was ruptured there was no chances of Glover recovering, and the only hope lay in such an operation being successfully performed. The case will attract attention throughout the continent, as in only one previous instance has the operation been successfully performed.
