Town Solicitor Hopkins and Mr. H.

There being no appeals against the walk on the west side of William-st., it was moved by the Mayor, seconded by Aid, Robson, that the frontage measurements, assessments, etc., for the insurance field. In dealing with the granolithic walk on the west side his policy-holders Mr. Campbell was of William-st., between Kent and always found to be affable and ready to do everything in his power to meet their wishes, when to do so did ing an overcharge of one foot front-An appeal from C. G. Cody, claiming an overcharge of one foot front-age and from J. H. Lennon, claiming an overcharge of 47 feet frontage on the granolithic walk for the east side of William-st., were considered, and on motion of the Mayor andAld. Robson, the measurements, assessments. etc., for the walk mentioned were confirmed with a correction in Arctic Flecced the measurement of J. H. Lennon's Dr. Wright's Health Brand Toronto. Mr. Campbell was apd frontage, which was reduced from

96 feet to 49 feet. The Chairman called for appeals against the Kent-st. sewer, when Mr. O'Leary, on behalf on Mrs. J. A.Lang objected to the preliminary proceedinterested persons, as required by an presented other objections and regular in several respects. He asked to have Mr. Sylvester's property to his premises being exempt from taxation, and contended that Mr. Sylvester could not be legally assessed for the sewer nor counted upon the petition.

Mr. Geo. Thomas appealed on the grounds of injustice, stating that his sewer tax would exceed his proporty tax. He asked for a reduction in his sewer assessment.

Mr. Hopkins, Town Solicitor contended that the several objections raised by Mr. O'Leary were not cognizable by the Court of Revision. He was of opinion that Mr. Sylvester. was liable for the sewer tax from the fact of his signing the petition, but desired time to consider the objection. On request Mr. O'Leary promised to furnish the Town Solicitor with a copy of the several ob jections made by him.

The Solicitor advised the Court to confirm the assessments, measurements, etc., of the sewer and if he found it necessary, in his opinion, to ndvertise another court he would proceed to do so.

The Coming Men and Women,

The little folks of to-day; will in a few years be the men and women of active life. The children therefore are an important factor in all communities. Their education and training require constant attention. Among other accomplishments, On motion of the Mayor, seconded the cultivation of good taste in dress has become imperative in the child's education. To be attired in good form, half the battle of life is won. No article of modern bridge and Angeline-sts. were con- clothing approaches the shoe in influence. One may be clothed in purple and fine linen, and have the whole effect spoiled by a common, ill-fitting shoe.

Knowing this applies especially to children, and also how difficult it has been hitherto to secure children's fine foot wear in Lindsay, some weeks ago we gave a manufacturer an extensive order for a full range of children's fine shoes. The goods have arrived and we are proud of the whole lot. They are in all sizes, from babies' No. 1s. up to boys' and girls' 10s.
