### GALWAY FAIR A SUCCESS.

AT LINDSAY CENTRAL.

Record Attendance of Visitors-The Directors Well Satisfied.

The great Galway show-the banner fair of North Victoria-held under the auspices of the Galway Agricultural Society, took place at Kinmount on Tuesday and Wednesday, Sept 29th and 30th, and was a gratifying sucbess. We haven't the least hesitancy 'in saying that it was the best township fair we have visited this year, and next to the Lindsa Central in its strong attractions. The speeding events were ahead of those held in Lindsay, which speaks well for Kinmount. Last year a new lot of officers were elected, and they immediately got to work and established a fair that now has the reputation all over the county of being the best township fair in this district. New grounds were purchased, a building erected and a track built, but as the latter was a little small the management set to work this year, enlarged the grounds and built a half mile track. This was a step in the right direction, as they will have no difficulty in inducing horsemen to come to Kinmount. The track, while a little heavy, will when the sand is beaten down be one of the fastest in Ontario. It is well shaped, and the corners are easy for drivers to turn. Besides improving the track. new buildings have been erected on the west side of the grounds for the accommodation of horses and cattle. No exhibitor need fear showing stock at the Kinmount Fair, as the animals will be comfortably housed in case of

When 12 o'clock came the village was filled with visitors. The Northern hotel and Dettman house, owned by Messrs. J. Scott and Fred Dettman respectively, were taxed to their fullest capacity while serving meals to the hungry visitors. The Salvation Army and several private parties served meals and lunches, and they also did a rushing business.

At 1 o'clock the Foresters' Band. under the leadership of Mr. R. Graham, formed on the main street and after playing a lively air marched to the grounds. By two o'clock fully 1200 people had gathered, and the crowd was increased later by several hundred new arrivals. At 3.30 o'cleck Secretary Cole informed our representative that 1,800 had passed through

### MOTHERLY ADVICE

FROM ONE WHOSE DAUGHTER WAS RESTORED TO HEALTH.

Had Suffered From Headaches, Dizzi ness and Fainting Spells-Feared at One Time that Consumption Would Follow.

All the freshness of youth, the rosy cheeks and bright eyes of girlhood, During both days of the fair a num- the charms of budding womanhood, are due to pure rich blood and healthy nerves. When the face is pale and the eyes lack lustre, when there are headaches and backaches, shortness of breath and palpitation of the heart the blood is seriously out of condition, and decline and consumption may well be feared. In emergencies of this kind there is no medicine so certain in its beneficial results as Dr. Williams' Pink Pills. Every pill makes new rich blood, strengthens the nerves and puts the sufferer is sound in the case of Miss Bertha Milloy, Port Dalhouise, Ont. The story of this young lady's restoration to health is told by her mother as follows: "A few years ago my daughter Bertha began to decline in health. Among the early symptoms were loss of appetite, loss of strength and an aversion to exertion. These were followed by severe headaches. and sometimes fainting fits; her color left her and she was greatly reduced in flesh. In fact her condition was such that I feared she would go into consumption. We tried a number of medicines but they did not help

her: then a doctor was called in, but there was no improvement, and things looked very hopeless. At this stage acting on the advice of a lady friend cine and is now practicing in Chicago), I started giving her Dr. Williams' Pink Pills. In the course of a few weeks there was a decided improvement, in her condition, and by the time she had taken nine boxes, she was again enjoying perfect health. During her illness her weight was reduced to ninety-five pounds and while taking the pills it increased to hundred and ten pounds. My advice to other mothers who have weak or ailing girls is to lose no time in giving

them Dr. Williams' Pink Pills.' Nearly all the ills of life are due to bad blood, and they are cured by Dr. Williams' Pink Pillls simply because hese pills make new, rich blood thus bringing strength to every part of the body. That is the whole secret, and Mr and Mrs. McIllmoyle, Mr. and Thos.
