Has Your Experience With Rubbers Been Unsatisfactory?

If it has the trouble has been due either to the inferior quality of the rubber or to the fact that the rubbers have not been properly fitted to the shoes.

## Wear Maple Leaf Rubbers.

Maple Leaf Rubbers consist of the highest percentage of pure Para Gum Rubber, consequently they give the best possible wear. Maple Leaf Rubbers are perfect fitting and are made to fit all shapes of Shoes. We take extra care in fitting Rubbers.

Fashion is queen to those who need but be beckoned—a tyrant to those she is compelled to drive.

Our showing is very complete, containing very dainty hats, exquisitely and stylishly fashioned for every head, from baby's to grandmother's. Miss Barley will be pleased to show and assist you in selecting the most becoming style to your own individual taste.

And the prices are as low as anywhere. Come and see,

# DOUD AND DRITADID DIDO

We've seen a good many fur stocks, but never before have we offered a stock quite so satisfactory-styles, qualities and prices all considered. It is not so showy a stock as some, and although there are some novelties, yet the strength of this stock lies in its prac-

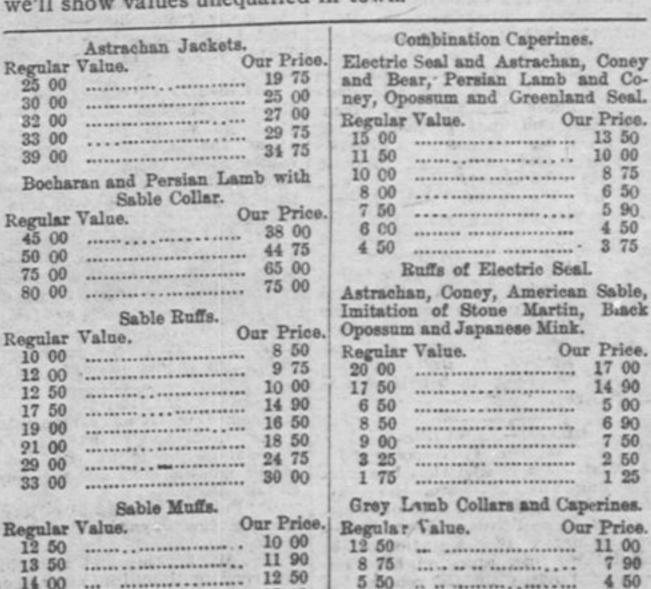

ticability, real usefulness, and better fur for every dollar invested. You can rely on the quality of our Furs. We tell you exactly what they are and we do give you the very highest standard in quality possible to give for the price asked on

any given article. Why can we do this? Because we buy Furs from the best manufacturers in big syndicate quantities for cash. Because this isn't a credit business. All our prices are

based on INSTANT CASH. Because we sell big quantities at small profits, and guarantee every piece to be as represented. And because this is a money-back store. The sale is

not really made until you have had days to think it over at home. Then if for any cause you change your mind, bring the article to us and we will buy it back at full value. What could be more fair?

We simply ask you to come here before buying, and we'll show values unequalled in town.
