BOARD OF EDUCATION ACAIN

TALKED FUEL LAST TUESDAY. A Battery of Five Typewriters Required for Commercial Students.

Chairman Thos. Stewart presided at the regular meeting of the Board of Education Tuesday, Oct. 4th. The members present were Mess.'s. R. Kennedy, J. Carew, R. M. Beal, Dr. Blanchard, Jos. Staples, Wm. Daviet J. G. Edwards. Principal Broderick and several of the teachers were also in attendance.

The minutes of the last regular and special meetings were read by Secretary Spier, and on motion were confirmed.

Attendance at the Schools. Principal Harstone's report gave 239 as the number of students on the roll of the Collegiate-147 from the torn, 74 from the County of Victoria, and 18 from outside points. Average attendance for September, 205. The report closed with the disquieting sentence that should the large attendance keep up the Board abou' & zeriously consider the advisability of adding another teacher to the staff at the beginning of the new year -Fyled. Principal Broderick reported 908

pupils on the rolls of the several ward schools, the average attendance being 820. Number in IV. Book, 148; III. Book, 224; II. Book, 230; I. Book, 306.- Fyled.

The Half-Day System. Mr. Beal said that while visiting the schools the previous day in conpection with the stove and fuel question he had observed that the halfday system was in force among the junior pupils. Was that done with the knowledge of the Board ?

Clairman Stewart-"Yes, that plan has been followed with success for some time in the case of beginners." Mr. Beal-"What is the object? That was one of the things that struck us when we came to the town - we wished our children to attend school the full time, but found it

Chairman Stewart-"I don't wish to start a lengthy discussion, but I may say that the Board gave the plan very careful consideration and a thorough text before finally endorsing it. It is better for both teache:

Mr Maples-"It gives the children Chairman Stewart- Ten and it enables one teacher to handle a double complement of pupils'

Principal Broderick-"In the east ward there are 80 children in the primary class, and one teacher coul not handle that number at one time Chairman Stewart (to Mr. Beal) -"You can re-open this question again at some future meeting."

More Typewriters Needed. Chairman Stewart-"The proposed purchase of the typewriters now in answered so far, and I think we can use in the Collegiate is one of the get along with that number for a matters held over from last meeting. | walle yet." Has the special committee a report?"

the committee. It recommended After some further discussion the that two new Empire typewriters be gurenased in addition to the three mittee for further consideration, Mr. now in use in the Collegiate. ' Mr. Beal-"While a member of the Mr. Staples presented the report of committee I am not fully convinced the Finance committee, recommend- principal shipping districts to the are being built this year, electric

of any meeting." oversight on the part of Secretary Francis-st., and two for the Spier -- it was not intentional." It was then moved by Mr. Staples, cured from Mr. D. Cinnamon at a seconded by Dr. Blanchard, that the cost of \$18 each, the stoves to be the report of the committee re typewrit- Fire King" type; also that the

Mr. Kennedy moved in amendment seconded by Mr. Edwards, that the report be referred back. 'I don't like a hole-in-corner committee meeting," remarked Mr. Kennedy. Mr. Rosevear, Commercial Master, was heard. He explained that 35

neapolis, Minn., tells how woman's monthly suffering may be permanently relieved by Lydia E.Pinkham's Vegetable Compound

" DRAB MRS. PINKHAM: - I have never before given my endorsement for any medicine, but Lydia E. Pinkham's Vegetable Compound has added so much to my life and happiness that I feel like making an exception in this case. For two years every month I would have two days of severe pain, and could find no relief, but one day when visiting a friend I ran across Lydia E. Pinkham's Vegetable Compound, - she had used it with the best results and advised me to try it. I found that it worked wonders with me: I now experience no pain, and only had to use a few bottles to bring about this wonderful change. I use it occasionally now when I am exceptionally tired or worn out."- MISS ALICE M. SMITH, 804 Third Ave., South Minnespolis, Minn., Chairman Executive Committee, Minneapolis Study Club. - \$5000 forfeit If original of above

letter proving genuineness cannot be produced. Lydia E. Pinkham's Vegetable Compound carries women safely through the various natural crises and is the safe-guard of woman's health.

The truth about this great medicine is told in the letters from women being published in mittee. this paper constantly.
