# A Heart-to-Heart Talk on Clothing

Don't skip a word or you may skip a dollar. It's the cautious people we're afterthose who know a good dollar's worth in most things, but are not quite sure about clothing values.

Now, to begin. We do not sell the cheapest clothing, but we do sell the best clothing cheapest. You never read an adv't of poor clothing. Strange, too, for there's more poor than good, Each advertiser represents his own as being better and cheaper than others. How can the public discriminate? Only one certain way, come and see.

We are exclusive sellers in Lindsay of the renowned Progress and Twentieth Century Clothing. If there's any fault in this clothing neither makers nor wearers have ever discovered it. If you will visit our store we'll convince you even if it should come to giving you a suit or overcoat on trial.

We've wedded high artistic designs to values of thorough honesty. Adults' suits and overcoats priced alike-\$5, \$7, \$10, \$12, \$15, \$17,\$ 20. Boys' in proportion. All kinds of Furnishings for Men and Boys.
