DROWNED IN TRENT CANAL

DUNCAN MCGALLUM, OF KIRKFIELD, THE VICTIM.

Came to Lindsay for Dynamite Ordered by Mrs. McKenzie. (Special to The Post).

Kirkfield, Oct. 15.—The body of Duncan McGallum, and the horse and buggy he had been driving, were found in the Trent canal yesterday afternoon about 5 o'clock, at a point about a mile and a quarter south of the village.

McGallum was sent to Lindsay yesterday morning by Mrs. Wm. McKenzie for a quantity of dynamite required for blasting operations being carried out on her estate near the village. It is supposed that he fell asleep and drove over the embankment, or that the horse got beyond the driver's control when descending a steep hill leading to the boom across the roadway, which was a sharp curve and then runs along the canal bank.

Dr. Wood, of Lindsay, County Coroner, was communicated with, but upon hearing the report decided that an inquest was unnecessary.

They Do!

Little chunks of hard coal, Worry much our soul. Making in a slender purse, Break an awful hole.

BRETHREN OF THREE LINKS.

Bobbyaygon Oddfellows Visited Lindsay Lodge and Enjoyed Themselves.

Last Tuesday Bobbyaygon Oddfellows, to the number of about 95, arrived in Lindsay by special train at 8.30 p.m., and were the guests of Lindsay Lodge. A number of dinners were conferred on several candidates by the degree teams of the local orders. When the work had been fully exemplified, and to the satisfaction of the candidates, the brethren repaired to the spacious dining room, where two large tables were filled with tempting viands and the wants of the inner man were well attended to. Later on speeches were in order, when the following toasts were responded to:

"Our King," the whole company joining in singing the national anthem.

"Our American Brethren," responded to by a number of brethren from across the border, who told of the good work done by the order in the States.

"Our Visiting Brethren," was responded to by a number of Bobbyaygon craftsmen in a very capable manner, they also thanking the Lindsay Lodge for their kindness and hospitality.

"The Order" was the next toast, and was well handled by a number of the fluent speakers of Bobbyaygon, after which the whole order joined hands and sang "Auld Lang Syne."

The Bobbyaygon brethren left for their train at 1.30 a.m., and were accompanied to the station by a large number of the local order.

INTERESTING PARAGRAPHS

GATHERED BY POST REPORTERS ON THEIR DAILY ROUNDS

What is happening in town and the country about us.

—The oyster season is with us again.

—Everybody works but father. Even the waterworks.

—Put it down—snow on Oct. 10, 1906. Last year 20th Oct.

—Prof. Ira Hips predicted October to be a month of storms.

—In a few more weeks the shirtmen will be leaving for the woods.

—General Booth is planning another American tour, which will begin in January.

—The Uxbridge Journal has reached its thirty-eighth year in newspaperdom, and is better than ever.

—Keep your good humor and patience in reserve for the moving of that stove and putting up the pipes.

—Mr. Jas. Robertson has purchased a fine yearling bull from the famous Redmond thoroughbred stock of Redboro.

—Your money will earn 3 1/2 per cent. on deposit and 4 per cent. on debenture with the Victoria Loan & Savings Co.—wtd.

—Sunlight Soap is better than other soaps, but it is best when used in the Sunlight way. Buy Sunlight Soap and follow directions.

—The Planters' Cigar Co. have decided to locate in Peterboro, and have leased the old Bradburn opera house for a term of five years.

—There has been an increased production of coal during the past year, but it has not been allowed to get so common as to lessen the price per ton.

—We have it on good authority that Mrs. Wm. McKenzie, of Kirkfield, is about to circulate a petition to put Eldon township under local option.

—Postmaster Gladman, who has been residing at Sandy Point, returned to his home on the McDonnell homestead on York-st. for the winter months.

—'Tis not so much the stocks and bonds. As what the hungry mouths have done To last year's overcoat.

—In a recent issue it was erroneously stated that a number of Model School students had been arraigned before Magistrate Jackson on a charge of apple eating.

—Furs remodelled, repaired and cleaned, satisfaction and prices right, at Mrs. F. Mullett's, over Boxall & Mathie's hardware store, nearly opposite post office, Lindsay.—wtd.

—This has been an awful year for disasters, but the end is not in sight. The hockey, football and deer hunting seasons are expected to keep the tombstone industry working overtime.

—If your Stomach is weak. If your Food distresses you. If you are Weak and Nervous. Use Dr. Shoop's Restorative one month and see what it does for you. All druggists.

—The Commercial Travellers' Association has started a fund for the benefit of the widow and family of the late Engineer Blaine, who died like a hero at the post of duty. It is to be hoped that the responses will be liberal, for the undertaking is a worthy one.

—Extensive improvements are being carried out in the Orde residence, corner Lindsay and Glenelg-sts., recently purchased by Col. Hughes from Mr. J. J. Lundy, of Peterboro. When the alterations are completed the home will be one of the finest in town in every respect.

—Lax-ets—A Candy Bowel Laxative.

—If you have Constipation. If you have a coated tongue. If you are dizzy, bilious, sallow. If you have Headache, Sour Stomach, etc., risk 5 cents on Lax-ets. See for yourself. All dealers.

—A moral character is attached to autumnal scenes: the leaves falling like our years, the flowers fading like our hours, the clouds fleeting like our illusions, the light diminishing like our intelligence, the sun growing colder like our affections, the rivers becoming frozen like our lives—all bear secret relations to our destinies.

—The disgusting discharges from the nose and throat, and the foul catarrhal breath, are quickly dispensed with by using Dr. Shoop's Catarrh Cure. Such soothing antiseptic agents as Oil Eucalypti, Thymol, Wild Indigo, etc., have been incorporated into a snow white cream making a catarrhal balm unexcelled. Sold by all dealers.

—Brookville Times: The enforcement by Chief Burke of the Anti-Swearing and Anti-Spitting by-laws has been followed by a marked improvement in Brookville. There is far less idle profanity on the main streets and far less indiscriminate spitting upon the sidewalks. It only took a few convictions by way of example to effect the improvement.

—The Kingston Foundry company has been awarded the contract to build a steamer, 115 feet long and to run between the mill and the Huntville, Lake of Hays and Lake Simcoe Navigation Company. When completed the steamer will cost \$25,000. The firm of contractors will build all frame and steel work, the latter including the engine and boiler. Work will be started at once.

—A lady of Strathroy claims to have found a sure cure for broken dishes. If the dish to be mended can be tied together with a stout string, placed in boiling water, and left one hour, you can never tell the dish had been broken and it can afterwards be placed in boiling water. The experiment has been tried and proven and many are the broken dishes which were thought to be useless which are now as good as new.

—Pink Lips, Lick Velvet, Rough, Chapped or Cracked Lips, can be made as soft as velvet by applying at bed time, a light coating of Dr. Shoop's Green Salve. The effect on the lips or skin of this most excellent ointment is always immediate and certain. Dr. Shoop's Green Salve takes out completely the soreness of cuts, burns, bruises, and all skin abrasions. It is surely a wonderful and most highly satisfactory

COULD SCARCELY WALK.

A Rheumatic Sufferer Cured by Dr. Williams' Pink Pills.

Rheumatism is rooted in the blood. It is a medical fact every poor rheumatic sufferer should know. Liniments and outward applications cannot possibly cure rheumatism. They are a waste of money and while the sufferer is using them the disease is steadily growing worse—slowly but surely taking a firmer grasp upon the entire system. Rheumatism must be treated through the blood. This is the only way in which the poisonous acid can be driven out. Dr. Williams' Pink Pills actually make new blood and thus always cure rheumatism. Every dose of these pills helps to make new rich red blood which sweeps the poisonous acid from the system, loosens the aching joints and muscles and gives the rheumatic new health free from pain. Amongst those who can bear witness to the truth of these statements is Miss Dorena Langlois, of St. Jerome, Quebec. For many months she suffered from rheumatism and had begun to think she was incurable. "I could not straighten up," says Miss Langlois, "my limbs were almost useless, so stiff were they. For many months I endured such pain as only rheumatic sufferers can understand. Although only thirty years of age the suffering I endured actually made me look like an old woman. I used liniments and tried several medicines but got not the slightest help until almost by chance my attention was directed to Dr. Williams' Pink Pills. I began taking them and in the course of a few weeks I could see they were helping me. Little by little the pain began to go and the stiffness to leave my joints. I continued taking the pills for several months when every symptom of the trouble had disappeared. I have not felt a twinge of rheumatism since, and I bless the day Dr. Williams' Pink Pills came to my notice."

Dr. Williams' Pink Pills never fail to cure rheumatism because they get right to the root of the trouble in the blood. Give your children a foreign paper which contains not a word about any person, place or thing, which they saw or perhaps ever heard of, and how could you expect them to be interested. But let them have the home paper and read of people whom they meet and of places with which they are familiar, and soon an interest is awakened which increases with every arrival of the local paper. Thus a habit of reading is formed and those children will read the papers all their lives and become intelligent men and women, a credit to their ancestors, strong in knowledge of the world as it is to-day.

MR. C. C. NORRIS RESIGNS.

Well Known Advertising Man Changes His Sphere of Activity.

Mr. C. C. Norris, who has been for eighteen years connected with The Mail and Empire, and for the last five years, has been the advertising manager, has resigned his position with the paper. Mr. Norris has acquired an interest in the J. H. Woods Advertising Agency, Limited, of that city, and will hereafter be associated with Mr. Woods in the management of that business.

Mr. Norris is one of the best known and most successful advertising men in Canada, and his name is familiar in that connection to practically every large advertiser in this country and the United States. He has a very wide circle of business and personal friends, who esteem him both for his high standing in the advertising field and for his personal qualities. He will bring to his new sphere of activity an extensive knowledge of advertising values and conditions which cannot fail to ensure his future success.

The J. H. Woods Advertising Agency is also well known all over Canada and possesses a strong list of clients. It may safely be prophesied that under the new management now to take place the prosperity of the agency will be increased and its scope of usefulness further extended.

Mr. Norris will remain in his present position until his successor is appointed. For many months he has suffered from rheumatism and had begun to think she was incurable. "I could not straighten up," says Miss Langlois, "my limbs were almost useless, so stiff were they. For many months I endured such pain as only rheumatic sufferers can understand. Although only thirty years of age the suffering I endured actually made me look like an old woman. OBITUARY.

Mr. Wm. Turner.

Much sympathy is felt for Mr. and Mrs. Robt. Jordan, Sussex-st., Lindsay, over the death of their daughter, Mrs. William Turner, who died Wednesday Sept. 19. Although she had been ailing for some years she was of a very energetic character, bright and hopeful disposition and bore her sufferings with great patience. She was a faithful attendant of the Cambridge-st. Methodist church. The feeling for the parents is deepened on account of there being just one daughter and one son, Mrs. Turner and Wesley, who was killed in the West about eleven months ago. The deceased leaves a husband, father and mother to mourn her loss.

Henry Clendenan, Whitby.

Whitby Chronicle: Mr. Wm. Henry Clendenan, who died at his residence on Dundas-st. here on Thursday, Oct. 4th, was born in the township of Whitby, and in his childhood moved to the township of Mariposa. Some years after his marriage he moved again to lot 35, R.F., township of Whitby, afterwards purchasing the Dawey farm on the Kingston Road. Upon his retirement he purchased about 27 years ago the present beautiful homestead from Mr. Richard Richardson, where he resided until the time of his death. The deceased was a man universally respected, unobtrusive and reserved in manner, and occupying himself solely with his domestic and business concerns. Those who knew him best speak of him as a man of much kindness of heart and sweetness of disposition. He was connected with the Richardson and McTilvray families, and leaves five daughters to mourn his loss. These are Mrs. Reed, of Wakefield, Mrs. Rev. Sheppard, of Marked, Mrs. Corneil, of Lindsay, and the Misses Clendenan at home.

Booms of Logs Went to Pieces.

Bobbyaygon Independent: The Alexandria met with trouble on Monday on Pigeon Lake. She was towing six heavy cribs of logs across from Ball narrows, and the gale that was blowing up the lake made it a desperate tug. When about over the most open part of the lake the first crib pulled to pieces with the strain that was put on it. Then some rough and dangerous work was done to try and get the tow line to the second crib, and while this was being attempted the whole raft drifted on to Stony Point and the cribs were bound to a wreck. A quantity of boom timber was rushed down by Mr. Carey and a boom strung around to prevent a change of wind from scattering the logs. This was about the last of the logs that were to come through the canal.
