## DOINGS AT LITTLE BRITAIN

### SERMON BY ELDER CARBUTT ATTRACTED MANY LISTENERS.

Christian church was filled by Elder Garbutt, of Markham, formerly pastor of the church here. The seats were all filled and seats had to be arranged in the aisles to hold the large attendance. Everyone was well pleased with his sermon.  
 Mr. Samuel Woodbridge, of Cannington, spent Thanksgiving under the parental roof.  
 Mr. H. Metherell, of Keys & Morrison, Lindsay, was home for Thanksgiving.  
 We are sorry to have to relate the death of Mr. Frank Lane of Hargrave, Man. He was one of our boys some years ago and was liked by all companions. We assure his parents of our deepest sympathy in their bereavement.  
 A large number of young people attended the fowl dinner at Valentia on Thanksgiving day. They report a good time and they say the fowl was fine. We think the Valentia people should attend our New Year's tea as well.  
 Mr. E. Z. Yarex has installed an acetylene gas machine and has his store lit by gas. We think our village leads for up-to-date improvements, as this is the fifth building lit by gas.  
 Master and Miss Manning, of Hartley, visited Miss Ella Jones on Sunday.  
 We hear we are to have a new rink and it is to be hoped it is true. We might say the boys are sure they could at least get 50 members to take season tickets at \$2.00 each. We imagine it would be a good speculation.  
 Miss Ella Jones is visiting friends at Kinmount.  
 Mr. R. S. Robertson and daughter Leah spent Thanksgiving week with relatives in Toronto.

Modern Improvements—Many Visitors—Talk of a New Rink.  
 Mr. Arthur Mark of the Canada Cycle and Motor Co., Toronto, was home to spend Thanksgiving.  
 Mr. and Mrs. Trember, of Peterborough, spent Thanksgiving with Mr. and Mrs. Jenkins.  
 Mr. Milton Yerex, who has been attending the Central Business College, Toronto, was home to spend a couple of days under the parental roof.  
 Mrs. Jim Yerex, of Toronto, was the guest of Mrs. D. Yerex this week.  
 Mr. W. S. Yerex, manager of the Western Bank, spent Thanksgiving with friends in Toronto.  
 Mr. W. H. Elliott and son, of Toronto have been visiting Mr. and Mrs. Jas. Blewett for a few days.  
 Miss Lila Glass, of Toronto, spent Thanksgiving with her parents, Mr. and Mrs. J. J. Glass.

### WATER COMMISSIONERS MET

**SUPT. HAMMOND REFERS TO NEED OF A NEW PUMP.**  
**Related Accounts Coming in for Settlement—Other Matters Dealt With.**  
 Evening Post of Oct. 24.  
 A regular meeting of the Board of Water Commissioners was held yesterday afternoon in Secretary Ray's office, the members present being Chairman Flavelle and Messrs. Brady, Vrooman and McNeillie.  
 The minutes of the previous meeting were read and confirmed, after which Mr. Fremont Crandell was heard, disputing the Board's right to bill him for service which had not been used on the corner of the horse block, but that Chairman Flavelle pressed the thumb-screws and the secretary was instructed to sue Mr. Crandell for the amount of the bill against him.  
 Mr. Armstrong's very next heard an old unpaid bill against the Commissioners. Secretary Ray explained that Mr. Armstrong had regularly billed the Board through Mr. Begbie, but the latter had never handed the bills in. Mr. Armstrong's books showed records where a horse had been hired, and Mr. Ray was quite satisfied. The Commissioners ordered the amount to be paid.  
 An acknowledgement of gratitude was read from Mrs. Buller (nee Miss Henderson) for the testimonial received from the Board.  
 Communications were read from Gartshore Thompson Pipe and Foundry Co. of Hamilton, quoting prices for water pipes, etc.; also from F. M. Boynton, Buffalo, re coal shippers' Applications for new domestic services were read from Mr. Norman St. Morton, 31 Glenelg-st.; Ed. Ross, brother on Bond-st., and Ed. Ross for a service over his store.  
 Accounts were ordered to be paid as follows:  
 F. M. Boynton ..... \$ 2.75  
 F. M. Boynton ..... 20.62  
 Galbraith Packing Co. .... 3.50  
 Bell Telephone Co. .... 20.96  
 J. G. Edwards & Co. .... .62  
 Keys & Morrison ..... 1.00  
 Mrs. Mitchell ..... 2.00  
 F. M. Boynton ..... 27.30  
 S. Armstrong ..... 4.25  
 W. Lowensborough ..... 9.04  
 Grand Trunk Ry. .... 70.18  
 W. A. Goodwin ..... 2.30  
 The account of Mr. Goodwin was disputed one, dating in Mr. Begbie's time. Ray was explained by Secretary Ray to be o.k.  
 Engineer Broom, at the pump house, requested that he be put on day and night work alternately. The question was discussed at a former meeting, but not considered by the Board.  
 Mr. Hammond said that when he was at the pump house he had to do all the repairing. Both men were pretty equal to their work and the latter had been exchanging every two weeks recently, dividing up the day and night work, but Mr. Pratt was supposed to be on all day and Mr. Broom at night.  
 Secretary Ray was instructed to

interview both the engineers and get their opinions.  
 Mr. Ray said that all the employees were doing their duty well, but he hinted that a test of the system occasionally wouldn't do any harm. Mr. Hammond stated that it would be only a matter of a few years until they would have to have a new pump; as it stood the pump would have to be repaired at once. After further discussion the Board adjourned.

### VICTORIA CO. CHEESE BOARD.

**Peterboro Buyer Did Not Offer the Top Figure at Sale.**  
 Peterboro Times; Yesterday the Lindsay Cheese Board proved a fizzle as far as business went. There were 1200 boxes boarded, but the factories would not accept the offers made. It was up to a Peterboro man, Mr. G. A. Gillespie, the well known local cheese buyer to boom the prices to the limit.  
 Mr. Gillespie, after several scattering bids had been made, boosted prices to 12 1/2 cents per pound, but this was not accepted, and as the bidder would not, offer a deadlock ensued. It is now up to the Victoria factories to ship their cheese to a five city, pump out the Selkowitzville water and do real, live business in Peterboro, where higher prices are paid.  
 Somebody has evidently been giving the Times reporter a "pipe dream", as the item printed above is strictly on the bias. President Robertson, of the Lindsay Cheese Board is prepared to prove that the bidding for cheese on Monday last was as follows: Mr. Brown 12 cents, Mr. Gillespie 12 1/2c, and Mr. Climes 12 1/4c. Mr. Gillespie was heard to remark after Mr. Climes made his bid that he (Gillespie) couldn't go higher.  
 As regards the jibe in the last of the Times' paragraph, Lindsay Board still retains the "top" for the highest offer, viz., 13 1/4 cents. It's up to Peterboro to "back water" and call on her sister town for help.

### Keeping Boys on the Farm.

(Boston Transcript.)  
 Secretary Wilson's proposal for grappling with the problem of how to keep boys on the farm is to give them better training in agriculture, which would bring with it a greater love of country life. He proposes the agricultural high school as a preliminary agricultural college. Economic forces are already working in the direction of encouraging life on the farm. Its products may well at present be equal to the so-called "city people" in the country, absorbing as they have the abandoned farms of a decade or two ago, is having a whole some effect upon all the year-round residents of the rural districts.
