At a meeting of the Lindsay Branch American Federation of Labor, No. 9826, held at their rooms on Wednesday evening, November 4th, last, the following resolution was moved, seconded and adopted by unanimous vote:

WHEREAS, in view of a recent glaring failure of justice in the Lindsay Police Court, wherein two leading members of the Lindsay Bar indulged in unseemly wrangling and personal vituperation in the presence of the Police Magistrate for the County of Victoria, the Chief of Police of the town of Lindsay, and another sworn officer of the law; and the further fact that the said dispute ended in a bodily assault committed by one lawyer upon the other;

AND WHEREAS, we are credibly informed that no punishment was inflicted on the participants in this breach of the peace, at the time of committal, by the presiding Magistrate, and that since then no steps have been instituted by the authorities with a view to the enforcement of the penalties provided in the statutes of our country for such infractions of the law, and which have been imposed in other cases tried in the said Police Court, -

BE IT RESOLVED, that the Secretary of this Branch of the American Federation of Labor is hereby authorized to communicate with Mayor J. H.
