The startling news of the fearful accident which caused the death of Consul Mrs. Emma Booth-Tucker and fatal injuries to Colonel Holland has just reached us.

The news will come as the greatest shock to the Army as yet experienced throughout the world. For thirty-seven years the General and his family have been travelling almost incessantly without the slightest apprehension.

We are confident that the prayers of our officers and soldiers, and tens of thousands of friends around the world will ascend to the Throne on behalf of our venerable General, upon whom this blow will of necessity strike the hardest.

Advertisement for FEE'S KIDNEY CURE. Why go round with your back bent, suffering from kidney trouble, when I have a remedy that will cure you in a short time? Local doctors and patent medicines have failed to cure them suffering from this disease, but my medicine is a sure cure every time. If you are a sufferer from kidney trouble, do not let it run too long or you will get Bright's disease and finally die. Write Thos. Fee, Box 683, Lindsay, Ontario, and he will send a box of Fee's Kidney Cure on receipt of 65 cents, or two boxes for \$1.00. All orders will be promptly filled. One box of my medicine generally cures but sometimes relief won't come till the second is used. For years I was a great sufferer of this terrible disease. I had inflammation of the kidneys, bladder and crabs of the ureters, which caused great agony. I doctor'd with four of our best local medical men for years but they failed to relieve me. I then tried Fee's Kidney Cure, but it proved to be of no use. After all had failed I started consuming drugs for myself, and finally made a remedy that cured me in two days. I am perfectly well now, enjoying the best of health. Fee's medicine has been in the market for ten years and has never been known to fail to cure kidney disease, if taken in time.
