Notice to the Public.

THE STAR CLOTHING STOCK could, by a long drawn out sale, reduce their stock to a nominal figure, but preferred placing it in the hands of a well-known and reliable concern for a quick disposal. For that purpose we will inaugurate the most scientific slaughter of modern merchandise Victoria County ever beheld. A bargain event that will surpass anything ever attempted in the Province of Ontario. We hereby give notice to every man, woman and child of Lindsay and vicinity that our entire stock has been placed in the hands of the National Salvage Company of Toronto, for a 10 day's selling, starting Wednesday, Nov. 13th, at 9 o'clock in the morning. We advise you, one and all, to be on hand early and avail yourselves of this great money-saving opportunity to save many dollars on your wearing apparel. Beyond question of a doubt this will be the greatest sacrifice sale on good quality, high grade merchandise ever offered the people of the County of Victoria. You all know our reputation, you all know how conservative we are and you know the character of the merchandise we have been selling to the people of this community for the past years. Our word has always been as good as our bond, and our reputation stands as a living monument to our honesty and integrity as a merchant, and we say to you here, as man to man, that when we make a statement to you over our signature, like the above, you may well believe that this 10 days' sale, which starts Wednesday, Nov. 13th, at 9 o'clock a.m., will be a most stupendous sacrifice, and one of the kind that seldom occurs in any community.
