were wrong. But the Herald happens to have the certificate of Thomas R. Hewson, the Ontario land surveyor, who measured the course in 1897, and his word is much better than any guesswork of Mr. Shrubbs. As for the watches being wrong, there is little chance, as the three watches did not vary a fraction of a second in Mellor's time. There is no chance for Shrubbs to dig up excuses. Let him put up his money, quit shooting hot air, and run the course, but not on a race day."

### EXAMINER ROAD RACE

Ernest Wilson, a local runner, captured first place yesterday in the Peterboro Examiner's ten mile road race, the time being 55 min., 15 3-5 sec., 2 min., 36 2-5 sec. better than that made by Ray Best last year. Ben Howard, who ran in Lindsay on Dominion Day, was second, finishing a foot behind the winner. Wm. Mass. of Havelock, was third. There were 18 entries.

A five-mile race for juniors was won by Peter Wallace, Jimmie McMartin was second, and Charles Welsh third. Thousands witnessed the dash of the race.

### MONTREAL HERALD RACE

D. A. C. Woods, of the Gordon Harriers, won the second Herald race, which was run off Thursday under splendid conditions, the weather being magnificent and the course, which was round the mountain, being in fine shape. Over 200 runners, including many local runners, were in the race, and 161 finished. Wood, who won, distanced all the other competitors, and completed the course in 59 minutes, 44 seconds, or nine seconds faster than the time made by Shipman in the first race last year. Cofo, of the M.A.A.A., finished second, and McCaig, of the M.A.A.A., third. It was easily Woods' race from the start.

### LONGBOAT FAILED

Hamilton turned out in force Wednesday at 12.40 and observed Longboat to the limit, when he started from the Waldorf hotel on his long journey of 42 miles to Toronto. The Indian hit up a merry clip and passed through Burlington at 1.35, at the rate of about ten miles an hour, and this eventually proved his undoing. When about a mile from Bronte his shoes were hurting his feet, and a stop was made and his shoes changed. He had a bad trip up the way to Oakville, the roads being very heavy and in a very bad condition for running. At Oakville his feet were treated, and he had something to eat, and left at 3.21, after fifteen minutes' rest, and feeling in fine shape. The road from there to Port Credit was the worst of the journey. It looked at this stage as if Longboat would make the distance easily and in good time. He passed through Long Branch at 5.15 seemingly able to finish nicely. A large crowd of boys on bicycles and numerous motor cars had fallen in line and were cheering the game runner on as best they could, but Tom's feet weren't early gone, and it was with great difficulty he kept up. Just at the creek bridge the other side of the Humber hotel he was in bad shape and had to walk a long distance.

A big effort was being made to get him inside the city limits, and he started again, only to have to crawl into Nurse's hotel for a rest of fully fifteen minutes. His general condition was good, but his feet had gone back on him, and, as it was only killing a good and game runner, it was decided to drive him fairly well down town and then let him finish to the Tremont house.

He covered the 36 3-4 miles between Hamilton and the Humber in 5 hours, 25 minutes and 27 seconds.

After all the glowing things said about Ave Burns' willingness to come east and run either Coley or Longboat or both, at first opportunity, his manager wires the Toronto Star man that his protégé is out of training and will not be able to do any track work until the end of November.

New York World: The Canadians have unearthed a real champion sprinter in the person of Bobby Kerr, of Hamilton. The easy manner in which this sprinter covered the century in 9 4-5 seconds at the recent Canadian championships points to him being a very formidable rival in the forthcoming Olympic games at London next year.

Now that Jack Morton, the British champion, appears to have lost his former sprinting ability, it looks as if America will make a clean sweep of the sprinting event at London, as it did in the Olympic games of 1900.

### ODDS AND ENDS OF SPORT.

**A REMNANT**  
"I hear Bones, the full back, was badly hurt in a scrimmage."  
"Yes, poor Bones will never be the man he was, but the doctors say they may be able to make him over into a fairly respectable quarter back."

**SHRUBB FOR ENGLAND**  
"I expect to sail for England about December 1," said Shrubbs, the runner the other day. "I will put in the winter training, as I intend taking a whirl at the running game next summer, but it will be my last year on the track. I have been running now for eleven years, and am about tired of it. When I come over next year I

intend coming straight to Winnipeg, and, after running there, will go as far west as Vancouver. I was sorry I could not get to the coast this year."

### DON'T EVERYBODY SPEAK.

Lindsay is about 69 miles from Toronto, the same distance from Port Hope. Will some sprinter for laurel fame—you won't make any money, on it unless you bet, and win—bring the good old town into the limelight by attempting, at least, to walk from here to Toronto and back in 38 hours!

### CANUCK SKATER TO RACE

Fred J. Robson, the champion speed skater of Toronto for the past twelve years, may represent Canada at the skating races in connection with the Olympic games. Robson holds seventeen championships and four Canadian sprint records. He is without doubt the speediest man in Canada, and he would be the logical choice if the C. A. A. U. is to be represented on the ice. The races will be held in February, and the programme will include races at 500, 1500 and 5000 metres. Robson will train especially for the short distance event.

A fund has been opened at Hastings, Eng., for the purpose of making H. Butt, the Sussex County wicket-keeper, a present to commemorate his feat of securing 1000 victims at the wicket.

Indianapolis News: Football may seem awful foolish to you, but just remember it hasn't been so very many years ago when you thought you liked to ride a bicycle.

Plank led the American league in pitching feats—16 star performances, with six shut-outs among them. White, with seven blanks, led the league in the whitewash line.

Our Tigers a real vacancy felt. In the region, as 'twere, of the belt; So they went down east And had a big feast. And let out about nine holes in their belt. —Hamilton Spectator

Gen. Watts, the champion 3-year-old trotter of the world, record 2:06 3-4, is a gold mine, on which his owner, Gen. C. C. Watts, is not anxious to realize. The other day he refused an offer of \$36,000 for the speedy youngster.

Peterboro Examiner: Longboat lost his feet, which is a real calamity to a sprinter than the loss of his head, which so often comes to the successful athlete—swelled feet can be restored, but a swelled head is generally incurable.

Baseball is a game not at all too strenuous. For the amount played in Canada and the United States, the season just closed the fatalities have been few, only five as far as can be learned, this being a decrease of seven from the season last year.

Toronto Globe: Reynolds made a great walk. It is questionable if this world has another man of his year able to accomplish the feat. All who know the strain of pedestrian contests will hope for his retirement with the honors that crown his 57th year.

Mr. J. C. Creed, of Ireland, all-round athlete and champion jumper, is coming to Toronto, and will wear Irish-Canadian colors. Recently he cleared 6 ft. 2 in. in the high jump in the running hop, step and jump he has done 49.2; and in the broad jump 20 ft. 7 in.

Tom Longboat could divide himself into a dozen or so portions, there would not be enough of him to attend all the athletic meetings for which he is billed the country over without his knowledge or consent. The Spokane Amateur Athletic Club has him down for a ten mile race with Bonnah, Daly and Chandler.

David Hartley, a Peterboro p.e.l., who claims to be able to go some, is making strenuous efforts to secure subscriptions towards a purse for a match with Jimmy Reynolds, the Port Hope veteran. If he isn't careful, our old friend, John Everson, of Dunsford, who holds the local record for 20 miles, will be throwing down the gauntlet to him.

The Ontario Motor League is issuing circulars to the autoists of the province, pointing out that complaints are being made of reckless driving, etc., and asking that auto-club members take special pains to see that their license numbers are properly displayed and that the speed regulations and rules of the road are carefully adhered to.

John Flanagan, the giant hammer-thrower and former holder of the world's record for throwing the 16-pound hammer, announces, says the New York World, that he is no longer a champion, and is willing to pass the wreath over to Ed Matt. McGrath, the present holder of the title. John says that his fellow countryman has something on him when it comes to throwing the missile.

The Fort Hope Guide says: Through the Toronto press Hartley has challenged Jimmy Reynolds to walk from Port Hope to Peterboro and return twice for \$1,000. Jimmy will not accept the challenge this autumn, but will wager \$300 that he can make the same trip as that accomplished by Hartley and smash Hartley's record. We think Jimmy would do better off to accept Hartley's challenge, but he is anxious to break Hartley's

# THE FIELD OF SPORT

What is Occurring in the Town and District, and Sporting Circles Generally.

### FOOTBALL.

On Oct. 24th, in a game at Wolfville Nova Scotia, between Acadia and St. Francis, Xavier, neither side was able to score, although the ball was as far as the five yard line several times and each team had to kick for safety more than once. It was the best football ever seen in that town.

### RUGBY.

The Hamilton Tigers are claiming the way to victory in fine style on Thanksgiving day they followed by their defeat of the Montreal team by winning from the Ottawa, Rough Riders by the score of 20-8.

Outcasts of Montreal having news from the Kingston Limestone on Saturday, are slated to meet the Peterboroughs, winners of the Western District by virtue of their victory over the Victorias of Toronto on Thanksgiving Day.

Millbrook on Wednesday the Millbrook School team defeated Millbrook in the first rugby game ever played in that village by a score of 20-0. The game was witnessed by a large crowd. Copeland played a star part in the game for Millbrook. The return game will be played in Lakefield in two weeks.

The retirement of Ben Simpson, the Hamilton half-back, means the passing of a great football player. Not only was he exceptionally skilful with his hands and feet, but was always game, brave and resourceful—a model player with no bad faults—always in the highest respect by boys, parents and officials. —Toronto Star.

McGregor, Chaucer Elliott is angry. He thought his Montreal pets all Hamilton tricks and then went out and lost the salary that his pets would get the Tigers. And as Chaucer's pet grew light his language grew heavy and what he said to those who were from the big club house was to kick and they didn't do it, so he kicked kicking himself. Poor old

Friday, Nov. 16, at 9 a.m. Proceedings will commence sharp on time, and clubs are notified to have their delegates on hand at the appointed hour. The secretary and treasurer will be at hand much earlier, but clubs may facilitate matters by having their fees sent in advance. The fees are \$5 entrance (for new teams) and \$8 annual subscription for each team to be paid before the annual meeting.

### CURLING

#### LINDSAY CLUB THANKED.

It will be remembered that at the annual meeting of Lindsay Curling Club a few weeks ago, it was unanimously voted to elect Mr. R. D. Waugh, of the Granite Club, Winnipeg, an honorary member of Lindsay Club in recognition of many kindnesses extended by him to the members of Lindsay rinks competing at the annual Winnipegspiel from time to time. The following letter, received by Secretary Harstone the other day, explains itself:

Winnipeg, Man., Oct. 22nd, '07.  
J. C. Harstone, esq., Sec. Treas. Lindsay Curling Club, Lindsay;  
Dear Sir,—I am in receipt of your very kind letter of the 15th inst. advising me that, at the last annual meeting of the Lindsay Curling Club, I was elected an honorary member. I can assure you that I fully realize and appreciate the honor done me and the Granite Club in selecting me for honorary membership in your Club. It is especially gratifying to me that my name was proposed by our old friend, Mr. Flavelle.

With kindest regards to yourself, Mr. Flavelle, Ross, and the rest of the boys whom I had the pleasure of meeting here, I am, Yours very sincerely,  
R. D. WAUGH.

Toronto Queen City's have chosen Harry Baisley and Dan Rice, to skip the Tankard rinks this season. Both are well known to members of Lindsay rinks, and are voted fine fellows and good curlers. The Granites have not yet picked their Tankard skip, but the names of George Gre, Charlie Bock, Ernie McMurt, and H. T. Wilcox are mentioned with Arthur Dutton and John Moran for District Cup honors.

### HOCKEY.

**CROWLEY TO PLAY PRO.**  
Bill Crowley, the Peterboro rugby player and hockeyist, will go to Edmonton this month to play hockey for Fred Whitcroft's professional team.

**O.H.A. ANNUAL MEETING.**  
The annual meeting of the Ontario Hockey Association will be held at the Temple Building, Toronto, on Sat-

urday, Nov. 16, at 9 a.m. Proceedings will commence sharp on time, and clubs are notified to have their delegates on hand at the appointed hour. The secretary and treasurer will be at hand much earlier, but clubs may facilitate matters by having their fees sent in advance. The fees are \$5 entrance (for new teams) and \$8 annual subscription for each team to be paid before the annual meeting.

Notice of amendments to the constitution of the association or the rules of the game must be in the hands of the secretary, W.A. Hewitt, the Daily Star office, Toronto, in writing, on or before Saturday, Nov. 2.

### KOYL MAY BE MOVED

Stratford Herald: It is rumored Leon Koyl, the clever and lightning-fast husky captain of the Lindsay Midnets hockey team, is to be transferred to no one knows just where. Lindsay is his home town and of course it is generally understood that the directors of the Montreal bank (of which Leon is a staff member) or any other banks, as a rule generally transfer home brows to outside branches.

### WAKE UP, BOYS.

What about an intermediate team for Lindsay? High-time someone was moving in the matter. Of course it all depends on the boys themselves—if they desire to play, and evince the right spirit, the proper person to manage the team will come forward in due time. There must be willingness, there must be enthusiasm.

Ramsay Rankin expects to play with the Parkdale Canoe Club this coming winter. Ramsay is a good one all right.

Peterboro Review: There is no truth in the rumor that Bill Crowley will play with Whitcroft's Edmonton seven next winter. "Some day when dreams come true," the premature sporting reporters will obtain the recognition they deserve.

### RUNNING.

**STRAIGHT TALK**  
Hamilton Herald, Shrubbs professes to be anxious to show that he is "it" in the running game, but he never accepted a challenge that was made to him during his recent visit to Hamilton. Three men, well posted in runners and running, offered to bet him \$500 that he could not equal or better Mellor's record of 1:18.43 over the Herald course. Shrubbs said he would be back in two weeks and cover the money, but Mr. Shrubbs has on been heard from since. When here he tried to say that either the course was short or that the watches
