OUR CROWING BUSINESS.

We hear a good deal from Tory parers about the increase in the nationat expenditure under the Liberals. It by Mr. A. Kelly Evans, who reprehas sooressed very materiality; but who would wish to decrease it? asks the Hamilton Daily Times. Take the post office for example. The in- ciety at Erie, Penn., in July last grease in that branch of the service For many years the activity of the has been very large. But the dewort that it should be much larger, garding fish life and propagation, But And as it is, the country gains by Liberal management of the post of termined and concerted action on the fice. It pas a profit, although in cart of the American and Canadian the accounts it largely increases the authorities there would soon be but total of the expenditure. And little fish life remaining for food. while it pays, the service has been greatly cheapened and extended.

applies to the other departments of call fishing on both sides of the bounthe Government. The business has | dairy waters, and the call for a conincreased, and the figures of expention follows a resolution adopted diture have largely increased. What the dechanest critics do is to conceal the fact that the business has also grave vertiy. To condemn the Lib erals because the story of the country's fix ances and trade is told in lairger figures than ten years ago, or twenty years ago, is the same as to rensure one of our great mercantile will depend largely on the choice of firms because it does a larger trade delegates. The States bordering on and spends more money yearly and I the lakes have at last been aroused takes in more in receipts than it did to an appreciation of the import-

A contemporary authorities can be depended upon to takes up the debt question, and finds act with promptness and take full that the net debt of Canada in 1878 advantage of the favorable condiwhen the Conservative party took of tions which have arisen. time, was \$140,360,000. In . 1896, when the deluge came, it was \$258,- |. - The Evening Post is for sale each 497,900, or an average increase of six store, and at J. C. Burke's grocery. and a balif million dollairs a year. In evening at Mr. Joe. Carroll's tobacco

the ten years from 1896 to 1906 the deot increase was \$8,445,00, the total debt being . \$267,042,000 in 1906. This was a debt increase in a decade of just a little more than the average in a single year under Conserva-

tive government. Brantford Expositor points out that day a still better showing is made when we include the fiscal year just ended. It mays that a short time ago Mr. | dsy. Fielding was able to announce that the sumplus of the past fiscal year had more than wiped out the debt ink orease of the past ten years, and that Canada's debt to-day is less than it was when the Conservatives went out of office, while in the meanwhile great pulbit works have been carried gr, and the percentage anduty on imports has been lowered. And that is truly a great achievement. When your Tary friend Decomes critical recals it to your mind, and ask him to present something from the Tory records to compare with it. And don't let him torget that a bigger business is done with bigger capital, and no cessarily the figures of annual receipts and outlay are greater. But the people like that sort of expan-

TO SAVE THE FISH SUPPLY.

A movement of great importance to the Province and to the Dominion at large has been inaugurated by the American Fasheries Society in calling an international convention to devise uniform regulations to save what remains of the take fisheries and showsand dress-making, and guarantee to schemes to restock them on the loasis give five hundred dollars to any one that of -a permanent supply, says The Globe. It is announced by leading American newspapers that Hon. W work in shops for years. Beware of imi- E. Mechan, Commissioner of Fishertations as we employ no one outside the few for Pennsylvania and secretary of the Executive committee of the American Fisheries Society, has forwarded a call to his Excellency Earl Grey, Lieutenant-Governor Sir Mortimer Clark, President Roosevelt, and the ing on the great fakes.
