Toronto Telegram : Yesterday Ed. C. Rvott was committed for trial on three charges of "uttering a false document," calculated to defraud Atkinson Bros., for whom he had been a traveller. Evidence in support of the three cases was given by Henry Knight, Meaford; Arthur Horton, Owen Sound, and R. O. Smith, Orillia. The contention of the Crown was that Ryott took orders for goods from these men and then added things they did not order, thus making his al weeks, while undergoing repairs | sales appear larger than they really had been. The effect of this, Mr. Atkinson testified, was to secure a higher salary for Ryott because of the apparent large business he was doing. Bail was renewed, and the case goes to the other court.
