THE WEEKLY POST

Announces the most remarkable proposition ever made by a Canadian publication to its readers:

TWO DOLLAR-PAPERS FOR ONE DOLLAR

By special arrangement, and at heavy cost—justifiable only by the certainty of largely increasing our subscription list—we are enabled to offer our paper and The

MONTREAL WEEKLY HERALD

a great dollar weekly, for ONE DOLLAR per year. This offer is exclusive, and can be made by no other paper, as we have purchased the exclusive rights for this district.

REMEMBER THIS FACT—Every subscriber paying one dollar in advance for our paper will receive The Montreal Weekly Herald for one year without extra cost. The expense to us is so great that we can make no deviation from this rule—the money must be paid in advance, and all arrangements must be paid.

As a Newspaper. As a Home Paper.

THE MONTREAL WEEKLY HERALD is established in 1868, and is the second oldest Canadian paper in its old age it has retained its youth, and stands in the forefront of Canada's great journals. As a newspaper, it is edited with special reference to its constituency of readers, who desire a comprehensive summary of the world's news with special reference to the Canadian standpoint. Everything is viewed from the standpoint of the Canadian who wishes to keep abreast of the times without having to wade through columns of irrelevant matter. Careful condensation marks The Herald's treatment of every line of news. Do not confuse it with other papers of somewhat similar names. The Herald is a compact paper, not a blanket sheet.

THE MONTREAL WEEKLY HERALD is pre-eminently a paper for The Home in the first place, nothing is permitted in its columns that cannot be read with profit and instruction by every member of the household. In the second place, it is edited with special reference to matters that interest women. "Madge Merton's" weekly talks with her women readers constitute the most popular department of the kind in any Canadian paper. They are veritable "heart to heart" talks with the women of the Dominion, and are appreciated in thousands of homes. In this department are given Hints to Mothers; time-tested Cooking Recipes; the latest Fashion, illustrated, and a hundred and one topics of feminine interest.

THIS COMBINATION is a great one. Your home paper gives you in full the local news, the local markets and the local gossip. The Montreal Weekly Herald gives you the general news of the world, reports of the great markets, departments of interest to farmers, and, in particular, features of value and interest in The Home. One paper is the complement of the other. They dovetail into each other, and never overlap.

SUBSCRIPTIONS may begin at any time. If your subscription is already paid in advance, and you want The Montreal Weekly Herald at once, send in your dollar, and your subscription will be advanced a year.
