MERRY CHRISTMAS TO YOU.

With ordinary soap a woman has to work so hard and so long on wash day she has no time for preparing any of the family meals. Wash day is a trial, and the good wife faces each with a sigh of despair

Sunlight Soap makes all the difference in the world. No toiling-no rubbingno boiling-less than half the labor with much better results. Most women are all through their wash by twelve o'clock when they wash with Sunlight Soap the Sunlight way. It makes child's play of work.
