A Creat Machine for the Farmers. There are various makes of cream separators on the market just as there are different binders and mowers, but all are not equally good. Immeasurably the superior of all others is the Simplex Separator, manufactured in Brockvilla-a "Madein Canada" article. The points of advantage in favor of the Simplex are large capacity for size of bowl, giving the user the benefit of light running, durable simplicity, in make up, and improved clutch and bearings for speedy operation. With the Simplex one can skim a heavy cream as clean as a light cream, and all dairymen

able to do this The Simplex has a large sale in Paterboro section, and is giving spiendid satisfaction in avery way. Following agents in this district handle the machine, and being practical men, their andorsation should carry weight; M. J. Lewis, proprietor of Lindsay creamery, R. G. Allen, Reaboro; G. A. MACISTRATE MCSWEYN JUST AND IMPARTIAL.

Curious Forgery Case - Accused Will

be Brought from Chicago.

It is quite evident, as many are finding out, that is not an easy matter for criminals to escape the consequences of their crime in the Coun-River Police both were exhausted and ty of Victoria. Magistrate McSweyn is handing ot salutary judgments to all offenders, and if criminals wish to escape just punishment they will have to remove to some other coun- | accused here for trial. A telegram

Magistrate McSweyn disposed of the

case King vs. Edward Beateau, of Fenelon Falls and five others, at the charged with unlawful assembly, contrary to the statutes. The case was of Laxton, who was charged with unfully tried, A. P. Devlin acting for jaub (India) light-weight ex-cham- C., for the prisoners. The evidence, \$1.75, and he said he couldn't pay it which was somewhat lengthy, clearly established that the accused were at the time and Wicks turned on him jury returned a verdict of death by unlawfully assembled on the grounds and knocked him down and told him | natural causes. of the Kawartha hotel at the time he must have the money right away. charged, that is to say they had no He then forced him to go the barn business there, but at the same time and give him (Wicks) fully five bushthe Police Magistrate held that more els of barley in payment. than that was required to form | The "Cadi" pointed out that the an "unlawful assembly." To find the | charge might very well have been accused guilty it was necessary to one of robbery, but in view of the show that their conduct was of such | stupid ignorance of the accused and a tumultuous character as to cause | the circumstances of his family, the reasonable persons to fear a serious | Magistrate took the most lenient breach of the peace, and so there view possible and imposed a fine of was really no evidence to establish | \$15 and costs of \$6.99, which is being this, and the fact that, although there were at least four officers of McSweyn said there was no doubt the peace present, they did not make hand, come to us and get something any arrests, and also that the proprietor of the hotel, although there partment of Inland Revenue has re-cently seized from the shelves of mer-chants in Brockville goods that when

forgery of a check for \$110, in which

a man named Allan, forged the name

of Mr. Newman, the well known cheesmaker, at Lorneville on Nov. 20th, and subsequently cashed it at the Standard Bank, Beaverton. The peculiar point is that neither Newman or the bank knew it was a forgery until the bank received a telegram from the Chief of Police, in Chicago, intimating that he had in custody a man by the name of Allan, who had admitted that he was wanted at Beaverton for forging the said check. When this telegram was received by the bank it was discovered that the check was a forgery. A warrant was issued and P. M. McSweyn is now in commuication with the Attorney-General at Toronto with a view to bringing the was despatched to John Collins, Chief
