The village has put on a very busy aspect during the past month. The mill has run some nights till 10 o'clock and the stores are very busy.  
A number of the young people from the village took in the basket social at Oakwood on Friday night, and judging from the time they arrived home a program of musical sweetness may have been given.  
Mr. W. Weldon, our local cattle buyer, shipped four carloads of stock to Toronto on Monday, which speaks well for his popularity with the farmers.  
Miss Nellie Nichols left on Thursday for a two weeks' visit among friends in Port Hope and Bowmanville.

**VALENTIA.**

A few of the villagers are busy putting in their supply of ice.  
The concert and basket social in aid of the waterworks was quite a success, although some of our most prominent citizens could not attend on account of "serious illness." The young people deserve credit for the way in which they officiated.  
All the members of the Drive Club are clearing a half-mile track on the lake for speeding purposes. Anyone wishing to try horses is welcome to step into the ring.

There is considerable disappointment with the young people in regard to the long looked for dance at "Paceup Corner." Christmas is a very good time for an occasion of this kind, eh?  
Remember the Christmas tree in connection with the Methodist Sunday school on Dec. 21st. Everybody come.

**CAMERON.**

Come and see Santa Claus and spend an enjoyable evening.

**OMEMEE.**  
(From Our Own Correspondent.)  
Our streets are more lively since the Morrison warehouse, which has been vacant for two years, has been opened up.  
The sudden demise of the late Hon. J. G. Dean, so well and favorably known here, presiding over the Division Court with such satisfaction, cast quite a gloom over our village. J. D. Thornton, C.D.C., attended the funeral obsequies at Lindsay Tuesday.

(From Our Own Correspondent.)  
Mrs. A. Phillips has gone to Toronto to spend the winter months.

**POWLES' CORNERS.**  
(From Our Own Correspondent.)  
It is a long time since the readers of The Weekly Post have heard from Powles' Corners, but we still have unbounded confidence in the Laurier Administration and in this section the farmers are prosperous, irrespective of political shades.  
The oldest resident in this section is Mr. William Powles, who, while in his 93rd year, is still quite smart and active. Mr. Powles was the first postmaster at Fenelon Falls, being appointed in 1844 and holding the position for several years. He was appointed by William Earle, of Lonsdale, in the eighth year of her late Majesty's reign.  
The officers and pupils of the Sabbath school here are working hard to make the Christmas tree and entertainment a success. It will take place Saturday evening, 23rd inst., admission 10c. and 15c.  
Miss G. Bate, of Lindsay, is a weekly visitor here and at Cameron. A instructor in music Miss Bate has recently commenced on a second quarter with a class of nearly a dozen.

Some of our smart chaps are trying for the \$250 prize that the Grand Trunk Pacific Railway are offering for the best name for the Pacific coast terminal. Never venture, never win.
