THE SINEWS OF WAR.

Collected From Insurance Men to Defeat Mortgage Tax Law.

New York, Dec. 21.—The Washington Life Insurance Co., the Germania Life Insurance Co. and the Bankers' Life Insurance Co. divided the attention of the Legislative Investigation Committee yesterday. Not much of the evidence was starting.

Cornelius Doremus, president of the Germania Life, said that about one-third of his company's business was done in Europe, principally in Germany, and that this business in many respects is better than any done in America. He characterized the American way of doing business as "wild methods."

The only contributions of a legislative character paid by his company were \$500 to a fund having as its object the defeat of the mortgage tax law, and \$800 to further the passage of the lien bill in Albany in 1904. No campaign contributions had been made.

Mr. Doremus, who collected the fund to defeat the mortgage tax law, said on the stand yesterday that he secured a fund of \$25,000 for this purpose. The examination of the Bankers' Life will be resumed to-day.

A CANADIAN ABROAD.

Senator Cloran in New York Talks of Insurance Inquiry.

New York, Dec. 21.—Hon. H. J. Cloran, a member of the committee of the Canadian Senate which investigated the affairs of the Mutual Reserve Life Insurance Co. in the summer of 1904, called on the Armstrong committee and had a talk with the New York State investigators. Mr. Cloran said the Canadian Senate committee's report was never presented owing to an alleged technical infraction of the Senate rules.

He had been interested in the fact, stated by Vice-President Eldridge of the Mutual Reserve, that the company spent \$15,000 in connection with the Canadian inquiry. Senator Cloran said that was five times as much as the Government of Canada had spent in the matter.

Mr. Cloran said it was the intention of Senator Donville to bring the matter before the Senate again at the next session.

New York, Dec. 21.—Justice Rogers yesterday sentenced Abe Hummel to one year's imprisonment in the penitentiary and \$500 fine. This is the maximum penalty. Hummel was one of the most widely known of New York's lawyers.

The charge upon which he was convicted was conspiracy in the Dodge-Morse divorce litigation.

District Attorney Jerome appeared in court and moved that sentence be passed at once. He said that Hummel had been a menace to the public for twenty years.

Hummel was released from the Tombs at 10 o'clock under \$10,000 bail on a writ of reasonable doubt, secured from Judge Woodward of the Supreme Court in Brooklyn.

THE MEANEST MAN.

Alleged Extortioner From Uncle Sam's Land Scored By Magistrate.

Toronto, Dec. 22.—One of the most ghastly cases of extortion in some time came up in the police court yesterday, and the operations of certain American money lenders was condemned severely by Magistrate Denison. The case is one that will be brought to the attention of the Minister of Justice.

Some time ago M. Lyons was ill, and to his expense he drew up \$25 from H. C. Kehr, manager of D. R. McNaught & Co., Minneapolis. He swore yesterday that he was promised the money at 10 per cent. per year, and was required to sign a note, agreeing to pay \$43.50 in twelve payments. He also paid \$1 for drawing up the note, and gave a chattel mortgage on \$300 worth of furniture.

When asked by the magistrate why he agreed to pay \$3.65 a month, he explained that he could not read or write.

"I found on ignorant people in worse than knocking him down and stealing his watch," declared his worship. "Getting people to sign papers to beat them out of \$20 is the meanest, most contemptible kind of fraud, and I think that the whole circumstances should be reported to the Department of Justice, in order to allow these American grafters to concoct schemes and practise them on the poor people of this country. There ought to be some legislation to remedy such a glaring evil."

Kehr was committed for trial, and gave his own bail for appearance.

ANGRY ODELL.

Charges President With Deliberate Attempt to Wreck Republican Party.

New York, Dec. 21.—Former Governor E. O. Odell, Jr., chairman of the Republican state committee, made a statement yesterday in which he charged President Roosevelt and Governor Higgins with a deliberate attempt to wreck the Republican party of this state for their own personal ambitions. He declared that the damage caused, they, not he, will be responsible.

Mr. Odell's accusations were a part of his comment on the situation growing out of the contest in the Republican party in the New York Assembly. Mr. Odell declared himself in favor of E. A. Merritt, Jr., several days ago. On Monday last Governor Higgins came out in favor of J. W. Wadsworth, Jr.

WOULD KICK AND SCREAM

Baby's Awful Suffering from Eczema—Could Not Hold Her—Tore Face and Arms Almost to Pieces—Grateful Mother Says:

"CUTICURA REMEDIES SAVED HER LIFE"

"When my baby was six months old, she had eczema. We used all kinds of remedies, but nothing did her any good; in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I could not hold her. She would kick and scream, and tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no trace of the humor left. I can truthfully say that they have saved her life, and I should advise any one suffering as she did, to give Cuticura a fair trial.—Mrs. G. A. Conrad, Lisbon, N. H."

FIVE YEARS LATER

Mrs. Conrad Writes: "It is with pleasure that I can inform you that the cure has been permanent. It is now six years since she was cured, and there has been no return of the disease since. I have advised a lot of friends to use Cuticura in all diseases of the skin."

SLEEP FOR BABY

This is the purest, sweetest, most speedy, permanent, and economical treatment for torturing, disfiguring, itching, burning, scaly, crusted, and pimply skin and scalp humors, from infancy to age.

PLUMBERS AND SUPPLY MEN.

Edward Gurney Only One Who Goes Beyond Magistrate.

Toronto, Dec. 21.—Magistrate Denison at noon yesterday finished with Mr. Curry's list of plumbers, and then tackled the central supply men, and Secretary Morris of the association replaced Secretary Meredith in the witness box.

The first names mentioned were Edward and W. C. Gurney of the Gurney Foundry Co. The name of W. C. Gurney was withdrawn.

The names of L. L. Anthes, J. M. Taylor and A. Saunders were also withdrawn.

When court commenced Mr. Curry continued with the names of those on the plumbers' list. A number of those mentioned appeared in person, and made their excuses.

J. H. Parke complained he had been forced in and that his business had been ruined. He was moving to Muskoka to try and build up another business. He had been in one or two small "divvy's" and the magistrate could not see his way clear to withdraw his name, though his worship had no doubt members of the association had worked together to the disadvantage of the smaller men.

H. Tweedie said he had been forced to join. He had lost the only thing he got out of it was a cigar. He was struck off by the magistrate, J. H. Thorne, J. J. McKittick, James Wilson, Jacob Raine, Robert Ross and James Westwood were also fortunate.

SITUATION IN CONTROL.

By Warships Already at Shanghai—May Spread to Interior.

London, Dec. 21.—According to official advices received yesterday from Shanghai, it is believed the situation can be controlled by the warships already there. The only danger is that disinfection may spread to the interior. It is thought that it will not be necessary to send troops as the Chinese Government is taking every precaution to prevent an uprising.

The Foreign Office has disapproved the action of the British ambassador in confining Chinese women prisoners in a foreign jail. He has also been instructed by the Minister at Peking, Sir E. M. Satow, who has ordered the transfer of the prisoners to a native jail.

It is said that this action of the assessor was the cause of recent rioting.

To Investigate.

Pekin, Dec. 21.—The Dowager Empress yesterday issued an edict commanding the Viceroy of Chihli, Province of Yuan Shi Kai, commander of the Chinese army, to proceed to Shanghai, investigate the disturbances, secure the punishment of those implicated and impeach the civil and military officials responsible for the maintenance of order.

The Chino-Japanese treaty will be signed on Dec. 22.

JUDGE HODGINS UPHELD.

Kitty D. Was in American Waters and Seizure Was Illegal.

London, Dec. 22.—(C. A. P.)—The judicial committee of the Privy Council has reversed the decision of the Supreme Court, and restored the judgment of Judge Hodgins of Toronto, in the case of the seizure of the ship Kitty D. in Lake Erie.

The law lords hold that the evidence clearly shows that the vessel was fishing within American waters at the time of the seizure by the Petrel, and says: "The Supreme Court appears merely to have assumed that the trial judge made a grave mistake as to the Petrel's course. It would have been easy to apply to that judge to know whether he had in fact made a mistake, rather than leave it to hazardous conjecture that he was misled by a printer's or a shorthanders' blunder."

The law lords concluded: "In the uncertain and unsatisfactory state of the evidence it is impossible not to observe that if upon the seizure the Petrel had carefully logged the distance to shore, no doubt could have remained as to whether the place of seizure was within Canadian waters. It may be that the excuses given for not doing so are valid ones, but the excuse for not having the evidence will not supply the place of the evidence."

ABERDEEN IS AS GRANITE.

Refuses to Rescind Resolution on Embargo Passed Years Ago.

London, Dec. 21.—(C. A. P.)—By a majority of 21 to 13, the Aberdeen County Council has refused to rescind a resolution passed by the Council in October, 1901, requesting the amendment of the Cattle Diseases Act, by which Canadian cattle were barred.

In the Water, But Not Drowned.

Halifax, Dec. 21.—The body of Freeman Weir was found yesterday morning near Turnbull's wharf, Digby. The only trace of violence are marks on the body near the throat. Dr. Morse performed an autopsy which revealed no water in the lungs, indicating that death was not by drowning. The circumstances will be probed to the bottom.

Calgary, Alta., Dec. 22.—Frank Davis of this city, but recently from South Dakota, committed suicide Wednesday night by taking carbolic acid. He was 28 years of age and had been drinking heavily of late.
