UPHILL.

(From Our Own Correspondent). When in Lindsay don't fail to visit Anderson & Nugent's Furniture Emporium. You will find a grand display in all lines—parlor, dining-room, hall, bedroom and kitchen—at most reasonable prices, near Market—w.l. The winter has set in with a rush. It was a race between December and winter to see which would get in first. We had zero weather almost continuously, during the first week of the present month, with snow flurries almost daily. There is now fairly good sleighing, with the prospects of more snow soon.

D. A. McRea, of the J. A. McRea general store, of this place, spent a few days in Toronto last week, visiting friends and ordering goods for the Christmas trade, so people can count on finding everything up-to-date in their line.

Mr. S. Stewart is also gone cityward, combining business with pleasure. He is feeding 125 lambs for the Christmas market. Our school teacher for the past year, Miss Doyle, of Sunderland, has sent in her resignation, having been engaged to teach in her home school for the next year. The people are sorry she is leaving. Our trustees have, however, secured another to fill the vacancy caused by her departure. No deaths, births or marriages to report. We are sorry to hear that Mr. Daniel Foley, of Digby, is on the sick list, though not dangerously ill. Mr. Foley has not been in his usual health for over a year. The last regular meeting of Council for the municipality of Lindsay, Digby and Longford, will be held at the town hall, Head Lake, on Saturday 15th inst. Parties having any business to transact with that body would do well to attend, as they intend to close out all business of the year.
