NOVEMBER SESSION.

Considerable Susiness to be Tran at ted .. House of Refuge to be Discuss d. The November session of the county

council opened at the court house yesterday afternoon. Warden Bryans informed the coun-

in compliance with the requirements of the Municipal Act.

Moved by Mr. Bailey, seconded by Mr. Graham, that in the event of Thos. Matchett, esq., clerk of this council, appointing James R. McNeillie, of the town of Lindsay, as acting clerk during the absence of the said clerk office as clerk, such appointment of the said James R. McNeillie as acting clerk be accepted, and the same be hereby confirmed.-Carried.

The Warden submitted a document. signed and sealed by the clerk, appointing James R. McNeillie to act in his stead, after which Mr. McNeillie entered upon the duties of the office.

The members were all present, except Mr. Austin and Dr. Wood. The minutes of the last day of the June session were read and confirmed.

Warden Bryans' Address. The Warden delivered the following address:

Gentlemen,-In opening this session of the Council there are several matters to which I should especially call

your attention.

Up to and including the June sescil to pass a by-law excluding from its River. sion, authority had been given to John juridiction bridges over streams, etc., Bailey, esquire, member for the Fifth less than eighty feet in width. Division, for the practical re-building During the recess I have had to deal of Montgomery's bridge, the filling in of High Gully bridge, and the repair of Victoria bridge, Gold Creek bridge, Talbot River bridge, on the boundary between the townships of Bexley and Carden, a small bridge known as Black River Hill bridge, and the Grass River bridge, south of the village of came apparent that it would be necessary to re-build Gold Creek and Talbot the best interests of the county would | for the Aged to be cared for at the ham, respecting claims for share of ed through the town, we can safely thus be served.
