#### "FORD W. MOYNES" NIGHT

Wor. Bro. Ford W. Moynes was initiated in Faithful Brethren Lodge No. 77 on August 16th, 1912 and served as its Worshipful Master in 1918.

On October 9th, 1962 he was awarded the Fifty Years a Mason jewel. At our February meeting he will be presented with a Fifty Years A Past Master Button.

1968 seems to be Ford Moynes Year. He was awarded the Canada Centennial Medal, and on January 24th was named the "Citizen of the Year" for the town of Lindsay at the annual meeting of the Chamber of Commerce in recognition of services to the town in many forms, but in particular as a reporter, editor and columnist over a period of 55 years.

Members and visitors are requested to attend in large numbers to do honor to our senior Past Master.

#### OTHER SPECIAL RECOGNITION

Other members of No. 77 who received the Canada Centennial Medal were Bro. L. M. Frost and Wor. Bro. R. M. Parker.

Bro. L. M. Frost served the Province of Ontario as M.P., Treasurer and Premier for a great many years and became affectionately known as the "Grand Old Man of Ontario." He was a friend of everyone.

Wor. Bro. (Dr.) R. M. Parker has also served this community in many capacities, and in particular in his continued hearty support over a long period of time of the Blood Donor Clinic.

We extend sincere congratulations.

#### FIFTY YEARS A MASON BUTTON BRO. ARTHUR R. WHITTLE

Bro. Whittle was initiated in No. 77 on February 1st, 1918. He was a Mechanical Draftsman at the time and eventually his work took him to Whitby where he has since resided. This winter he is with his niece in East Cleveland, Ohio and the 50 Year Button has been mailed to him there.

We wish him many years of good health and happiness. He is the 52nd member of Faithful Brethren Lodge to be awarded the 50 year jewel or button.
