Kawartha Lakes – The City of Kawartha Lakes has outlined its operations between today and April 5, following [the State of Emergency declared on March 24](/en/news/covid-19-update-19-kawartha-lakes-declares-state-of-emergency.aspx) (/en/news/covid-19-update-19-kawartha-lakes-declares-state-of-emergency.aspx). The City is focusing its efforts on supporting our community front line responders and providing relief where possible during the COVID-19 pandemic.

While we continue to deliver the services that are critical to our residents, we recognize at this time the City is not running under normal business operations.

Please see important updates below:

Financial relief

- **Property Tax:** To lessen the financial burden on residents impacted by COVID-19, the City is **deferring the payment of property taxes for 60 days**. The installment due on April 29 will now be extended to June 27.
- **Water/Wastewater:** The City is **waiving penalty and interest** on
