Please see below for an important message from Mayor Letham on the new Provincial gathering limits:

September 22, 2020. A message from the Mayor

"As you may have heard, the number of COVID-19 cases are rising once again.

In Kawartha Lakes, our numbers are good and we've been doing a great job following the necessary protocols. And I thank you again for that.

However, to ensure that the numbers remain low, we must follow the new Provincial limits on gathering size, which are now a max of 10 people indoors, and 25 people outdoors.

The new limits are effective immediately and apply to gatherings such as parties, dinners, barbecues and wedding receptions held at unsupervised areas such as private residences, backyards and parks.

We need to be proactive now or we will lose the progress we've gained as a result of everyone's hard work and sacrifice.

We will be working with law enforcement to transition over from education and warnings to disciplinary measures and penalties.

What that means is anyone not complying with the new regulations will be facing the very real possibility of a substantial fine.

We thank you in advance for your cooperation as we work together to protect the health and well being of our entire community.

Take care and be safe."

Mayor Andy Letham.

To report gatherings that do not comply with the new limits, please contact:

- Kawartha Lakes Police Service (for Lindsay area)
705-324-5252
- Ontario Provincial Police (for all other areas)
705-324-6741

In an emergency call 911 immediately.
