New public school fund aims to 'feed' as many family needs as possible

Trillium Lakelands District School Board's Feed All Four Fund is designed for staff to support student well-being and support families who are currently struggling because of the pandemic

The COVID-19 pandemic has affected everyone to varying degrees, but the local school board has recently developed a new fund to help address some of the impact.

On Nov. 2, the Trillium Lakelands District School Board launched the Feed All Four Fund, designed for staff to support student well-being and support families who are
