"As always, it's a win-win for all," said Anne Rodd, a member of the Diners' Card committee. "All proceeds go to the Academy Theatre which, this year, has been closed since March. . . The restaurants, this year in particular, look forward to those who purchase a card coming to their business either as dine in or take out. It gives patrons an opportunity to visit a restaurant they didn't perhaps know about while enjoying the individual savings each offers."

The cards, which essentially pay for themselves after just two uses, provide great gift ideas for Christmas, birthdays and anniversaries, a 'thank you' to a helpful neighbour, or a senior who enjoys treating themselves to someone else's cooking.

Each card costs \$20 and is valid from Jan. 1 to Nov. 31, 2021.
