## Funding offered to help Kawartha Lakes agriculture and horticultural societies

Government investment of \$5 million provincewide to help offset revenue losses due to COVID-19 pandemic

By [Catherine Whitnall](#) Kawartha Lakes This Week

Thursday, January 28, 2021

Last year was a challenging one for agricultural and horticultural societies across the province that either had to pivot into the virtual world, or cancelling activities outright, courtesy of COVID-19.

Even with the best efforts, groups lost money and now worry about what 2021 holds, as revenues from the previous year are traditionally used to plan the following
