# Ontario Investing in Wearable Contact Tracing Technology

By Pamela Vanmeer - February 18, 2021

Courtesy Facedrive

KAWARTHA LAKES-The Ontario government says it is providing Facedrive Inc. with \$2.5 million through the Ontario Together Fund to accelerate the deployment of its wearable contact tracing technology TraceSCAN.

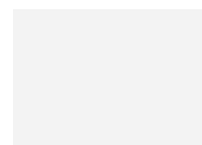

TraceSCAN alerts users within a workplace who have been in close contact with individuals who have tested positive for COVID-19 according to the province. The company anticipates manufacturing about 150,000 devices under this project and
