Health Organizations Ask Everyone To Mark The One-Year Anniversary Of The COVID-19 Pandemic With A Candlelight Vigil

By **Pamela Vanmeer** - March 9, 2021

KAWARTHA LAKES-This Thursday marks the one-year anniversary since the World Health Organization declared COVID-19 a global pandemic. In a display of solidarity, 20 health organizations across the province are asking the public to remember those who have died from the virus by honouring their memory and reflecting on the hope that lies ahead.

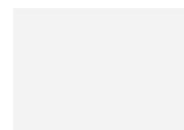

Given the enormity of what has transpired over the past year, the tragic loss of life and the incredible efforts of nurses, physicians, personal support workers and other valued health-care workers fighting the virus, the Registered Nurses'
