## 'Click & Connect' for COVID-19 questions through health unit

*Published on March 9, 2021 — in Health — by Lindsay Advocate*

---

There is now an easier way to have your questions about COVID-19 answered by your local public health agency.

The Haliburton, Kawartha, Pine Ridge District Health Unit (HKPRDHU) has launched a new response system that better enables residents to

submit questions electronically and quickly receive a response.

Called Click & Connect, the system is designed to improve the sharing of information during COVID-19. People can visit [www.hkpr.on.ca](http://www.hkpr.on.ca) to submit their COVID-19 questions to HKPRDHU
