Here's an update on COVID-19 cases in Ontario as well as in the greater Kawarthas region.

On the third day of the provincial shutdown, Ontario is reporting 5,979 new COVID-19 cases over the past two days, including 3,041 yesterday and 2,938 today. Since April 3, the seven-day average of daily cases has increased by 206 to 2,758.
