Premier Receives First Dose Of AstraZeneca Vaccine Today

By **Pamela Vanmeer** April 9, 2021

KAWARTHA LAKES-Premier Doug Ford received his first dose of the COVID-19 AstraZeneca vaccine at an Etobicoke pharmacy today. He issued the following statement:

“Our government is moving quickly to get vaccines to where they will have the greatest impact. In addition to over 100 mass vaccination clinics, vaccines are available at 700 pharmacies across Ontario, doctor’s offices and hospital clinics and we are getting mobile vaccine clinics to workplaces, high risk neighbourhoods, residential buildings, community centres, and places of worship.

Over 2.9 million vaccines have now been administered and we have booked more than 1.9 million appointments for people to
