COVID-19 vaccine easier and more convenient for eligible populations across the province," says a statement from Deputy Minister of Health Christine Elliott. "I encourage everyone to sign up when it's their turn."

More pharmacies are set to join the list as the vaccination network expands across the province, the announcement adds.

So here are the various pharmacies where you can get immunized with the AstraZeneca vaccine against the coronavirus, so long as you are 55 years old or more. A full list is also available on the government of Ontario's website.

In all of the below pharmacies, appointments must be made ahead of time online or over the phone during regular store hours.

Peterborough:

- Costco Pharmacy at 485 The Parkway.

- High St. Guardian Pharmacy at 815 High St.

- Walmart Pharmacy at 1002 Chemong Rd.
