Here's an update on COVID-19 cases in Ontario as well as in the greater Kawarthas region.

Ontario is reporting 660 new cases today, with the seven-day average of daily cases increasing by 25 to 625.

Toronto is reporting a triple-digit increase of 151 cases. Of Ontario's remaining 33 health units, 14 are reporting double-digit increases — York (93), Hamilton (86), Peel (52), Windsor-Essex (51), Middlesex-London (34), Ottawa (29), Simcoe Muskoka (24), Durham (21),

Halton (20), Sudbury (16), Waterloo (16), Wellington-Dufferin-Guelph (15), Chatham-Kent (11), and Niagara (11) — and 5 are reporting no new cases at all.

Of the new cases, 71% are people who have not been fully vaccinated (60% have not received any doses and 11% have received only one dose) and 20% are people who have been fully vaccinated with two doses, with the vaccination status unknown for 8% of the cases.

Hospitalizations have decreased by 12 to 283, with the number of ICU patients increasing by 5 to 161 and the number of ICU patients on ventilators rising by 7 to 92. There has been 1 new COVID-related death in Ontario.

Over 20.5 million vaccine doses have been administered, an increase of 40,254 from yesterday, with over 9.8 million people fully vaccinated, an increase of 25,863 from yesterday, representing 66.4% of Ontario's total population.
