The Ontario government has announced it is reinstating renewal requirements for driver's licences, licence plate stickers, health cards, and more. If you have licence plate stickers that expired during the pandemic, you must renew them by February 28, 2022 and pay for any deferred fees. For example, the fee to renew this sticker will be \$240: the fee for May 2020 to May 2021 plus the fee for May 2021 to May 2022. (Photo: Bruce Head / kawarthaNOW)

The Ontario government is lifting its pandemic pause on the renewals of driver's licences, licence plate stickers, Ontario photo and health cards, and more.
