For Fifty-Five Years

Since 1869 this Bank has been identified inseparably with the development and progress of the Dominion. A Canadian institution energized and directed by Canadians, it serves every phase of our business and private life at home, and has played no small part in the steady expansion of Canadian trade in foreign markets.

From a small beginning it has grown through sound business principles to a place among the largest and strongest banks in the world.

PREFACE

The Publishers, in presenting their 1924 edition of the City of Chatham Directory, thank the people for the liberal support they have received. Every means has been taken to render this Directory accurate and up-to-date in every detail known to progressive Directory Publishers.

The number of names in the Alphabetical Section is 6,184, which, multiplied by $2\frac{3}{4}$ (the multiple used by all Directory Publishers), gives a population of 17,006.

THE WORLD'S BEST
*Upright, Grand, Player and
Reproducing Pianos*

Ye Olde Firme
Heintzman & Co.

95% of the Pianos used in colleges, convents and conservatories throughout Canada are

Heintzman Pianos

In the tonal range of the Heintzman Piano, made by Ye Olde Firme, each note of the human voice finds its perfect complement, sustaining it with sympathetic sweetness and flawless purity. This is why Tetrzzini and so many other world-famous singers insist on having a

Heintzman & Co. Art Piano

at their concerts on their Canadian appearances, and the beauty of it is that this tone is permanent—does not deteriorate with age—whether it be a Grand, Upright or Player Piano. It is its superior excellence which produces the universal admiration for this.

Office: EBERTS' BLOCK

14 FIFTH ST., CHATHAM, ONT.

Write for this

Free to green keepers and others who desire the latest information on the building of a new Club Green or renovating an old lawn.

We quote Special Prices to Clubs, Institutions, Parks and others who require seed in large quantities.

LAWNS AND GREENS

It is most important that the lawn should be sown with a mixture of grass seeds especially adapted for the purpose required. A mixture suitable for a Park or Golf Course would be quite unfit for a private lawn, Bowling or Putting green. All the finest grasses that are most suitable for the formation of a lawn when grown for seed, produce very much less weight of seed per acre than do the coarser growing varieties, consequently the cheaper the mixture the coarser the turf. We maintain that the finest dwarf growing grasses are the most economical even for large areas, as the turf formed by the dwarf compact habit of the finest grasses requires to be mown only about half as many times as a turf formed of coarser growing varieties.

LARGE USERS OF RENNIE'S SEEDS

The Sign Over Your Door

It is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

The CITY DIRECTORY is where many people look when they want to find you. Make it easy for them to find you by putting in the Directory such Information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.
